**COLLECTION AND REFUND OF FEES**

**Collection and Refund of Registration Fees:**

1. Collection: Financial responsibility is placed upon the student once he/she enrolls at Taft College. It is the student's responsibility to ensure fees are paid at the time of enrollment or by the due date specified for each semester listed in the published class schedule. Students may be dropped from units in which they are enrolled if fees have not been paid, financial aid has not

- been established, or a payment plan has not been initiated by the stated deadline.
2. **Failure to Pay Financial Obligations:** The district may withhold grades, transcripts and diplomas, and may withhold enrollment privileges or any combination thereof from any student or former student who has been provided with written notice that he or she has failed to pay a proper financial obligation due to the District. Any item or items withheld shall be released when the student satisfactorily meets the financial obligation. (This is authorized by California Education Code Section 72237.) All unpaid fees without a payment plan will be turned over to our collection agency. The collection agency will directly deal with the student to receive payment. It is important to note that once this goes to collections, it will be noted on the student's personal credit report.
  3. **Collection when Legislature Changes Fees Following Registration:** When, by an act of the Legislature, the registration fees are increased during a semester in which a student has already registered and paid fees in full, the student will be sent a bill informing them of the fee increase. The student will be allowed to continue enrollment for the semester currently in progress. The student will have a hold placed on their account which would prevent a student from enrolling in classes the following semester or receiving transcripts/diplomas until payment for the fee increase is made in full.
  4. **Refund Policy:** Registration fees are refundable when a student withdraws from class(es) within the set deadline listed in the published class schedule for that semester.
  5. **Non-resident Tuition:** The amount of the tuition to be refunded will depend on the drop date listed in the published class schedule for that semester.
  6. **Refunds as a Result of Registration Adjustments:** Refunds due to changes in the college's educational offerings, or fees collected in error will be refunded to the student in full and the refund processing fee will be waived.

#### **Collection of Fees for Service or Other Fees:**

1. **Transcript and Student Status Fees:** For transcript requests and verification of student enrollment status (first two transcript requests and first two enrollment requests are free) applicable fees are payable at the Cashiers Office (a photo id is required). A rush fee is required for transcript and verifications that are requested for same day service.

The published fee schedule is available online for the list of current fees.

1. Fees to be collected when enacted by the Legislature following registration by the student.
2. Fees collected in error.

3. Fees refundable because of a reduction in the educational program of the District.
4. Fees refundable because of the student's reduction in units or withdrawal from an education program.
5. Fees refundable because of changes in law or regulation authorizing and establishing enrollment fees.
6. Notice to students of availability of exemptions from certain mandatory and authorized fees.

### **Waiver of Fees**

The District may waive enrollment fees which were not collected in a previous session where the enrollment fees were not collected as a result of the District's error in awarding a California College Promise Grant (formerly known as Board of Governor's Fee Waiver) to an ineligible student and not through the fault of the student, and to collect the enrollment fee would cause the student undue hardship.
