This election form will remain in effect and cannot be revoked or changed during the plan year unless the revocation and new election are on account of and consistent with federal regulations. I understand that Health or Limited Purpose Expense Account reimbursements will be available only for qualifying medical care expenses for myself, spouse, and dependents. I also understand that Dependent Care reimbursements will be available only for qualifying day care and adult care expenses. I agree to notify the Plan Administrator if I have reason to believe that any expense for which I have obtained reimbursement is not a qualifying expense. I also agree to indemnify and reimburse the Plan Administrator or Employer on demand for any liability it may incur for failure to withhold federal, state or local income tax or Social Security tax from any reimbursement I receive of a non-qualifying expense, up to the amount of additional tax actually owed by me. I understand the benefits and I have read the reverse page. I hereby authorize and direct my employer to reduce my salary by the amount necessary to pay for the benefit(s) as shown above for the plan year indicated above.

Additional Information

Health Care Expense Account

- Reimbursement will only be available for qualifying medical care expenses as set forth in the Plan Document, Eligible Expense List, and Section 213 of the Internal Revenue Code. It is your responsibility to check the eligibility of an expense prior to enrollment.
- Group Medical Plan Premiums cannot be reimbursed through the Health Care Expense Account and may be deducted pre-tax through the Premium Only Plan. Therefore, do not include the cost of premiums in your Health Care Expense Account annual election amount.
- If the Plan Year is less than twelve (12) months, the plan limit may be prorated to be less than the \$2,850 calendar year limit mandated by the IRS.

Limited Purpose Health Care Expense Account

- If you participate in a Health Savings Account (HSA) then you may not participate in the regular Health Care Expense Account. The Limited Purpose Health Care Expense Account is available for reimbursement of dental, vision, and orthodontia expenses only. See your Summary Plan Description for more information.
- If the Plan Year is less than twelve (12) months, the plan limit may be prorated to be less than the \$2,850 calendar year limit mandated by the IRS.

- Reimbursement will be available only for qualifying day care and adult care expenses as described in the Internal Revenue Code Section 129, the Plan document and the Summary Plan Description.
- Participation in a Dependent Care Expense Account will require you to complete tax form 2441 when filing federal taxes. If your plan includes a Grace Period any amounts carried forward or forfeited during a taxable year should be entered in Line 13 of Form 2441. If you or your spouse are full-time students, please consult IRS Publication 503.
- If the Plan Year is less than twelve (12) months, the plan limit may be prorated to be less than the \$5,000 calendar year limit mandated by the IRS.

Use-It or Lose-It

- You must claim all elected funds by the end of the run-out period. Money left in the plan after the end of the run-out period cannot be refunded to you; this is referred to as the Use-it or Lose-it rule.

Grace Period

- The grace period allows you to incur expenses against the prior plan year for 2 ½ months after the plan year ends (March 15, 2024). Expenses incurred after the end of the Grace Period are not eligible for reimbursement.

Claim Runout Period

- The claim runout period allows you to submit claims after the end of the plan year (March 31, 2024). Claims received after this period will be denied.

Direct Deposit

- All electronic funds transfers (EFT) will be initiated on the same day as the normal check reimbursement date.

Deductions

You will be notified via email if you have a charge that requires documentation. You can check your account online to view any outstanding charges or contact customer service.
