IV. DISCUSSION ITEMS:

1. Approval of SLO Process

V. Jacobi presented two options and also asked the group for any other ideas. The first option is to have a similar process as textbook changes. A separate form would be created as well as a separate approval process. Another option would be to include the SLOs on the Curriculum agenda as a consent item. As courses are revised on the five year cycle, SLOs are looked at and changes are made then. It was discussed that a form would be created for SLO changes outside of the five year review cycle. This discussion will continue within division chairs and may come back to the Curriculum committee.

2. AP 4021 Program Discontinuation Procedure

No new language was submitted. This item will remain on the agenda.
