### **Deadline for Curriculum and General Education Committee Meeting**

The November CG&E meeting has been cancelled due to the holiday on November 12th and the unavailability of all members to meet at another date and time. What will happen is that all submissions that would have been on November's agenda will be placed on the December 10th agenda and if more time is needed after the regularly scheduled one hour, a second meeting will be held during January in-service to continue discussion. The deadline for submissions to be in for the December CG&E meeting will be 12/3/12, if approved at Tech Review.
