

STEPS TO ADDING AN IMAGE/DOC FILE

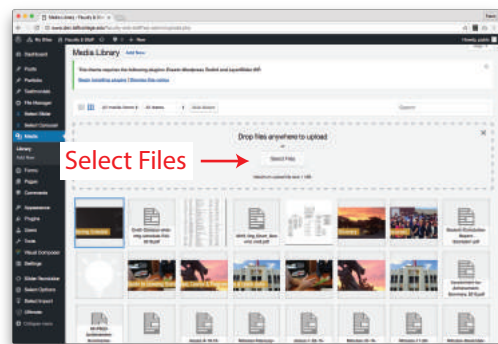

1

To get started adding a new image/document to your site, find the Media menu in the WordPress Dashboard Navigation menu. Click Add new.

2

You can drag and drop a file or click the Select Files button to open a dialog box. In the dialog box, select the file you want to upload. Click the Open button.

3

When the upload is complete, a field with your file details appears. You are able to select the file URL to link any element (image, text, etc).
