

**Read first: Important information regarding the appropriate use of the IGETC Counseling Form.**

1. Completion of all the requirements in the IGETC will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division general education courses.
2. The IGETC is not advisable for all transfer students (see bottom for list).
3. Transfer students, pursuing a major that requires extensive lower-division preparation, may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC Campus to which they plan to transfer.
4. The IGETC should be completed in its entirety before transferring. Students may obtain a partial IGETC if no more than two courses are missing.  
**The UC or CSU is responsible for verifying the missing IGETC course(s) once certification was requested.**
5. All courses must be with "C" grades or better.
6. Official transcripts to verify courses completed at other colleges must be received and posted to the student's academic record prior to certification and can only be certified in the IGETC category determined by the original college. (See #8 regarding high school transcripts).
7. Courses taken at foreign institutions will not be permitted for IGETC certification.
8. If the foreign language requirement was satisfied in high school, the student's official high school transcripts must be received prior to certification.
9. Coursework completed for the IGETC will be honored for certification provided that the courses were on the college's approved IGETC list at the time the courses were completed.  
(See a counselor for further information).
10. Students who initially enroll at a UC campus, leave and attend a community college, then plan to return to the SAME UC campus cannot use IGETC. Consult a counselor for detailed information.

Directions: Indicate in the "course" column the classes completed either at Taft College or at another college. If an Advance Placement Examination (AP) was taken, list the AP dates and scores (3, 4, or 5 can be used to satisfy any category of the IGETC except the Area 1B category).

**Please remember that the UC INSTITUTIONS and MAJORS that do not accept or recommend the use of IGETC are:**

**Berkeley:** School of Business Administration; Colleges of Chemistry, Engineering, Natural Resources, and Environmental Design

**Davis:** College of Engineering; Division of Biological Sciences, and majors in the College of Agricultural & Environmental Sciences

**Irvine:** Majors in Biological Sciences, Engineering, and Physical Sciences

**Los Angeles:** School of Engineering & Applied Sciences or Nursing

**Riverside:** College of Engineering; Not recommended for science and math majors

**San Diego:** College of Revelle and E. Roosevelt; Division of Engineering

**Santa Barbara:** College of Engineering

**TAFT COLLEGE IGETC**  
**Intersegmental General Education Transfer Curriculum**
