Loss of Enrollment Priority due to Academic Standing

Students on academic or progress probation for a second consecutive term will lose their enrollment priority unless they participate in the MAPP (Monitoring Academic and Progress Probation) program and complete a progress report for each course they are enrolled in showing at least a 2.0 GPA and/or 50% or more completed progress. Students on continued probation that earn a 2.0 GPA or higher in the most recent term, and/or pass 50% or more of their classes in the most recent term, are exempt from

the mandatory petition process for dismissed students and maintain their enrollment priority. In addition, academic reinstated students that earn a 2.0 GPA or higher in the most recent term progress report are exempt from the mandatory petition process for dismissed students and maintain their enrollment priority.

Loss of BOGW fee waiver due to Academic Standing

Students on academic or progress probation (or a combination of the two) for a second consecutive term will lose their BOGW fee waiver. Students have options to appeal the loss of BOGW by filling out the Loss of Enrollment Priority and/or BOGW Fee Waiver Appeal form. That form can be found on our <u>website</u>. If approved, they may have their BOGW fee waiver reinstated.

Loss of Enrollment Priority due to 100 Unit Limit

Students who have earned 100 or more Taft College degree applicable units will lose their enrollment priority. Students wishing to appeal their loss of enrollment priority due to too many units can fill out a loss of enrollment priority <u>appeal</u> and complete a comprehensive student education plan showing the additional units are needed. If approved, they may have their enrollment priority reinstated.

ADDING AND DROPPING CLASSES

• Please visit the Taft College homepage. Under the Student Services tab, under Registration menu, click on Add/Drop Deadline Schedule for a list of deadline dates.

Adding a Class

You may add any open class online until the first day of class without an Add Authorization Code. Once the class begins you can enroll through the "Last Date to Enroll (With an Add Authorization code)" deadline date. To add an open class **prior** to the "Last Date to Enroll (You must get an Add Authorization code from the instructor)" deadline, use the Add code during the Web Registration Process.

Waitlist

If a class is full prior to the start of the class, you may attempt to join the waitlist by following the normal online registration process, and selecting "Waitlist" when your initial registration fails due to full capacity. The "Waitlist" end the day prior to class.

Adding a Class after the Class Has Begun

Once a particular class begins, you are required to have an Add Authorization Code in order to add that particular class. If you have obtained an Add Authorization Code from your instructor, you may submit that code online through the "Last Date to Enroll (Add Authorization Code Required)" deadline date. Add Authorization Codes may only be provided by the class instructor. Once obtained, you must use the Add Authorization Code by entering it online when attempting to add the class.

Dropping a Class and Withdrawing From a Class

To drop a class or withdraw from a class any time prior to the appropriate deadlines during the semester, you can use the Web Registration Process.

Dropping a course is a student's responsibility. DO NOT rely on your instructor to drop you for non-attendance. If your instructor drops you for non-attendance you will incur the enrollment fees.

DO NOT assume that your failure to pay for the class has resulted in the class being dropped from your record (Nonpayment drops are date-specific and do not occur during certain times of the semester).

Title 5: Course Repetition and Withdrawal

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that took effect during the 2012 Summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, FW, NP, or NC) or withdrew from the class with a "W." Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class at Taft College.

Questions? Please contact the Counseling Center at (661) 763-7748, or the Distance Learning Help Desk toll free at (866) 464-9229 or direct at (661) 763-7812.

What happens if I drop a class?

- 1. If you DROP a course **before** the Refund date, the drop will not appear on your academic transcript.
- 2. If you WITHDRAW from a course **after** the Refund Date, you will receive a grade of "W" for the course.
 - a. The "W" will not be used in calculating grade point averages, but excessive "W"'s will be used as factors in probation and dismissal procedures.
 - b. Withdrawing from a class may also affect your financial aid status. Before dropping the class, be sure to consult your advisor or counselor by calling

661-763-7748 or speak to someone in Financial Aid by calling (661) 763-7762.

- c. Withdrawing from a class will affect your veteran's benefits. Be sure to consult with your VA Counselor who can adjust your schedule with the VA. Not doing so can result in you having to pay back overpayments. Further information is available: http://www.taftcollege.edu/admissions/v eterans/
- 3. You cannot withdraw from a class after the final deadline for dropping with a "W". You will earn a grade for the course.
- 4. However, if you have verifiable extenuating circumstances such as a major illness, you may petition for late withdrawal. See your advisor or counselor for more details. Petition and instructions are available:

- 3. Is feeling a part of the class not important to you?
- 4. Do you often get things done ahead of time?

- Do you look forward to learning new technologies?
 Are you a good reader, able to understand textbooks
- without help?

COURSE PREREQUISITES, CO-REQUISITES AND RECOMMENDED PREPARATION

PREREQUISITE means this is a condition of enrollment that a student <u>must</u> meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. For example, a student enrolling in general chemistry will have difficulty without adequate preparation in algebra.

CO-REQUISITE means a condition of enrollment consisting of a course that a student is <u>required</u> to simultaneously take in order to enroll in another course. A co-requisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

ADVISORY means recommended preparation <u>suggested</u> by the faculty to successfully complete a particular course. While encouraged to do so, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Course prerequisites, co-requisites, or recommended preparation are specified within course descriptions in the catalog. Students must satisfy the prerequisite or corequisite requirements for all courses in which they enroll.

Challenging a Prerequisite or Co-requisite

Students may have preparation equivalent to the stated prerequisites or co-requisites and may wish to challenge a

prerequisite or co-requisite as allowed by state law. The petition for challenging a prerequisite or co-requisite is available online and in the Counseling Center. The student shall bear the initial burden of showing that grounds exist for the challenge. The following is a list of grounds under which a challenge may be pursued:

- 1. Challenging the prerequisite on the grounds that it has not been made reasonably available
- 2. Challenging the prerequisite on the grounds that it was established in violation of regulation or in violation of state or District-approved processes (student documentation required)
- 3. The prerequisite is discriminatory or applied in a discriminatory manner (student documentation required)
- 4. Challenging the prerequisite based on acquired knowledge or ability to succeed in the course despite not meeting the prerequisite (student documentation required)
