Students on continued probation that earn a 2.0 GPA or higher in the most recent term, and/or pass 50% or more of their classes in the most recent term, are exempt from the mandatory petition process for dismissed students and maintain their enrollment priority.

In addition, academic reinstated students that earn a 2.0 GPA or higher in the most recent term progress report are exempt from the mandatory petition process for dismissed students and maintain their enrollment priority.

Loss of the California College Promise Grant (formerly known as the Board of Governors Fee Waiver) due to Academic Standing

Students on academic or progress probation (or a combination of the two) for a second consecutive term will lose their California College Promise Grant. Students have options to appeal the loss of the California College Promise Grant by filling out the Loss of Enrollment Priority and/or the California College Promise Grant Appeal form. That form can be found on our [website](#). If approved, they may have their California College Promise Grant reinstated.

Online

Web Registration Process for all new, continuing, returning and/or personal enrichment students:

Please visit the “Cougar Tracks” link below:

ADDING AND DROPPING CLASSES

Please visit the Taft College homepage. Under the Student Services tab, under Registration menu, click on Add/Drop Deadline Schedule for a list of deadline dates.

Adding a Class

You may add any open class online until the first day of class without an Add Authorization Code. Once the class begins you can enroll through the “Last Date to Enroll (With an Add Authorization code)” deadline date. To add an open class prior to the “Last Date to Enroll (You must get an Add Authorization code from the instructor)” deadline, use the Add code during the Web Registration Process.

Waitlist

If a class is full prior to the start of the class, you may attempt to join the waitlist by following the normal online registration process, and selecting “Waitlist” when your initial registration fails due to full capacity. The “Waitlist” end the day prior to class.

Adding a Class after the Class Has Begun

Once a particular class begins, you are required to have an Add Authorization Code in order to add that particular class. If you have obtained an Add Authorization Code from your instructor, you may submit that code online through the “Last Date to Enroll (Add Authorization Code Required)” deadline date. Add Authorization Codes may only be provided by the class instructor. Once obtained, you must use the Add Authorization Code by entering it online when attempting to add the class.

Dropping a Class and Withdrawing From a Class

To drop a class or withdraw from a class any time prior to the appropriate deadlines during the semester, you can use the Web Registration Process. Dropping a course is a student’s responsibility. **DO NOT** rely on your instructor to drop you for non-attendance. If your instructor drops you for non-attendance you will incur the enrollment fees. **DO NOT** assume that your failure to pay for the class has resulted in the class being dropped from your record (Nonpayment drops are date-specific and do not occur during certain times of the semester).

Title 5: Course Repetition and Withdrawal

The California Community College Board of Governors recently passed revisions to Title 5 regarding course repetition that took effect during the 2012 Summer semester. Students will only be allowed to enroll in a course three times if they received a substandard grade (D, F, FW, NP, or NC) or withdrew from the class with a “W.” Students with extenuating circumstances may seek approval to enroll in a course for the fourth time through the petition process. These changes do not contain a grandfather clause so any student that has already taken a course the maximum number of times will no longer be able to take the same class at Taft College. Questions? Please contact the Counseling Center at (661) 763-7748, or the Distance Learning

Help Desk toll free at (866) 464-9229 or direct at (661) 763-7812.

What happens if I drop a class?

If you DROP a course before the Refund date, the drop will not appear on your academic transcript.

If you WITHDRAW from a course after the Refund Date, you will receive a grade of "W" for the course. The "W" will not be used in calculating grade point averages, but excessive "W"s will be used as factors in probation and dismissal procedures.

Withdrawing from a class may also affect your financial aid status. Before dropping the class, be sure to speak to someone in Financial Aid by calling (661) 763-7762.

Withdrawing from a class will affect your veteran's benefits. Be sure to consult with your VA Counselor who can adjust your schedule with the VA. Not doing so can result in you having to pay back over-payments. Further information is available:

<http://www.taftcollege.edu/admissions/veterans/>

You cannot withdraw from a class after the final deadline for dropping with a "W". You will earn a grade for the course.

However, if you have verifiable extenuating circumstances such as a major illness, you may petition for late withdrawal. See your advisor or counselor for more details. Petition and instructions are available: <http://www.taftcollege.edu/admissions/forms/>

TEXTBOOK RENTAL PROGRAM

The Taft College Bookstore is located at 515 Finley Drive, Taft, CA 93268. We are located in the Pilot Shopping Center (directly across 6th Street from the Al Baldock Sports Center). Taft College is unique in that many textbooks are available to students on a rental basis. Participation in the Rental Textbook Program is only a fraction of the cost of purchasing your textbooks. In order to participate in the Rental Textbook Program, you must have a current copy of your class schedule, current ASO sticker and Taft College Student ID Card. Students must purchase an ASO Sticker to participate in the rental program from the Cashier office, bookstore or bookstore website (bookstore@taftcollege.edu). The ASO stickers are available for \$30.00 per academic year or \$15.00 for summer session only.

Checkout Procedure for Rental Textbooks

Rental textbooks may be checked out approximately three weeks prior to the beginning of each new semester depending on availability. Students must purchase an ASO Sticker to participate in the rental program. Students must take their class schedule to the Bookstore to rent applicable books. Remote or off-campus students may order all textbooks (rental and supplemental) on-line and have them shipped via UPS Ground for a fee determined by package weight and address of delivery.

Rental textbooks must be returned to obtain transcripts or to register for classes for any subsequent semester.

Return Procedure for Rental Textbooks

Students who drop a class should immediately return rental textbooks to the Bookstore. All other rental textbooks must be returned within 2 days of the end of each current semester to avoid being charged a late fee of \$5.00 per book late fee.

To avoid being charged full replacement cost, all rental books must be returned to the Bookstore no later than 10 business days after the end of the current semester. All rental

books unreturned after 10 business days will become the property of the student and the student becomes responsible for the full replacement cost of the textbook. Some instructors may require proof of textbook return before final exam can be taken.

On-line Library/Learning Resources

The campus Library offers a rich selection of electronic research services. These resources are available to students on and off campus. The Library can be accessed on-line at:

<http://www.taftcollege.edu/library/>

Taft College offers courses in both day and evening formats, short-term courses that typically run for eight to ten weeks, and courses that are offered outside the traditional classroom setting. Distance education offerings include both off-line and on-line courses.

Classes are small

The average class size at Taft College is 18 students per course. Students frequently cite small class size and opportunities for individualized attention as a major benefit of attending Taft College.

- ✓ Do you need a course immediately for a degree, job, or other important reason?
- ✓ Is feeling a part of the class not important to you?
- ✓ Do you often get things done ahead of time?
- ✓ Do you prefer to figure out assignment directions for yourself rather than rely on having instructions given?
- ✓ Do you look forward to learning new technologies?
- ✓ Are you a good reader, able to understand textbooks without help?
- ✓ Can you manage your personal and professional time to complete assignments and required reading?

If you answer yes to most of the questions listed above, you are a strong candidate for distance learning courses. For more information on distance learning courses, check out our web site at: [Taft College Distance Learning](#)

Matriculation Policy

Student Equity and Achievement Program(SEAP) is a comprehensive student success program involving the entire campus community. SEAP is a process that enhances student access to the California Community colleges and promotes and sustains the efforts of credit students to be successful in their educational endeavors. The goals of SEAP are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives through the assistance of the student-direct components of the matriculation process. It is Taft College's way of supporting the student's right to succeed in college. Taft College recognizes that student success is the responsibility of the institution and the student, supported by well-coordinated and evidence based student and instructional services to foster academic success.

SEAP is a partnership/agreement between students and Taft College. The agreement includes the provision of core matriculation services, including an admission process, college orientation, pre-enrollment assessment and placement, advisement and counseling for course selection, educational planning services, a suitable program of study, and follow-up on student progress. - Assistance in the development of a student education plan identifying the student's education goal, course of study, and the courses, services, and programs to be used to achieve them.

Matriculation Exemption

Students who may be exempt from participating in orientation, assessment, advising, and follow-up components of the matriculation program are:

- Students who plan to enroll in five units or fewer and who have declared one of the following goals:
 - Advance in current career/job
 - Maintain certificates/license
 - Personal/Education development
 - Complete credits for high school diploma
 - Students who are enrolled full time at another institution (high school or college) and will be taking five units or fewer (excluding English and math courses)

 - Students transferring from another regionally accredited postsecondary institution with credit for degree-level English and/or mathematics. (Exempt from placement testing only).

Exempt students are not required to participate in the matriculation process but are encouraged to see a counselor at any time. The college will make reasonable efforts to ensure that all exempt students are provided the opportunity to participate in the matriculation process.

Students who do not meet approved matriculation exemption criteria but choose to be exempt from one or more components of the matriculation process may do so by completing a waiver available from the Counseling Center.

COURSE PREREQUISITES, CO-REQUISITES AND RECOMMENDED PREPARATION

PREREQUISITE means this is a condition of enrollment that a student must meet in order to

demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. For example, a student enrolling in general chemistry will have difficulty without adequate preparation in algebra.

CO-REQUISITE means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A co-requisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

ADVISORY means recommended preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Course prerequisites, co-requisites, or recommended preparation are specified within course descriptions in the catalog. Students must satisfy the prerequisite or co-requisite requirements for all courses in which they enroll.

Challenging a Prerequisite or Co-requisite

Students may have preparation equivalent to the stated prerequisites or co-requisites and may wish to challenge a prerequisite or co-requisite as allowed by state law. The petition for challenging a prerequisite or co-requisite is available online and in the Counseling Center. The student shall bear the initial burden of showing that grounds exist for the challenge. The following is a list of grounds under which a challenge may be pursued:

- Challenging the prerequisite on the grounds that it has not been made reasonably available
- Challenging the prerequisite on the grounds that it was established in violation of regulation or in violation of state or District-approved processes (student documentation required)
- The prerequisite is discriminatory or applied in a discriminatory manner (student documentation required).
- Challenging the prerequisite based on acquired knowledge or ability to succeed in the course despite not meeting the prerequisite (student documentation required)

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA) – ANNUAL NOTIFICATION

The Family Educational Rights and Privacy Act (FERPA) afford student certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day Taft College receives a request for access. Students should submit to the Director of Admissions Office written requests that identify the record(s) they wish to inspect. The director will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Admissions and Records Office, the student shall be advised of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate. Students may ask Taft College to amend a record that they believe

is inaccurate. They should write the director, clearly identify the part of the record they want changed, and specify why it is inaccurate. If Taft College decides not to amend the record as requested by the student, the student shall be notified of the decision and advised as to his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. As allowed within FERPA guidelines, Taft College may disclose education records without consent to officials of another school, upon request, in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Taft College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA is:
