Processing Instructions

LOSS OF PRIORITY REGISTRATION:

Per Title 5, Section 58108 Regulations of the California Community College System, your calculated academic standing will impact your assigned registration date for future semesters. A second consecutive term (fall/spring semesters) on academic or progress probation will result in the loss of continuing student priority registration. This will also apply to any student over 100-unit limit (excluding non-degree applicable and ESL courses). This means you would register after all continuing and new students thereby possibly losing your opportunity for the courses you need to meet your educational goal. In order to appeal the loss of registration priority, the student must complete the following:

1. Fill out the Loss of Enrollment Priority and/or California College Promise Grant Appeal form.
2. Write a statement explaining the reasons for your academic/progress performance.
3. Collect documents supporting the reason for your academic/progress performance. If you are requesting an appeal due to extenuating circumstances beyond your control, documentation from a doctor, police report, loss of job letter, etc. must be attached to verify the circumstance.
4. Schedule an appointment to meet with a counselor to create a COMPREHENSIVE STUDENT EDUCATIONAL PLAN (CSEP). Foster Youth are exempt from this process.**
5. Submit your appeal form along with your documentation and completed CSEP to the Admissions Office who will submit the form to the Admissions and Attendance Committee. Any missing information will result in your appeal not being submitted to the committee.
