

TAFT COLLEGE

West Kern Community College District

The California Legislature has set Community College enrollment fees statewide at \$46.00 per unit. All other fees are subject to change without notice. Please consult the fee schedule as published in each semester's Schedule of Classes for current fees. Financial responsibility is placed upon the student once he/she enrolls in semester units at Taft College. It is the student's responsibility to ensure fees are paid at the time of enrollment or by the due date specified for each semester. **If financial obligation is not met by the stated deadline, the student may be dropped from classes.**

PAYMENT SCHEDULE

Students who are pre-registering must pay their enrollment fees or secure financial aid by the following dates:

Summer Semester: May 20, 2015 by 4:00pm

Fall Semester: August 5, 2015 by 4:00pm

Students **may** be dropped from units in which they are enrolled if fees have not been paid, financial aid has not been established, or a payment plan has not been initiated by 4:00 p.m. on the deadlines specified above.
