Courses Resources For Your Students

Canvas Student Orientation Module for Students

Commons

You can find this Module in the Canvas Commons

Search for the tag "Taft College", and you will find the Module titled "Canvas Student Orientation"

If you would like to add this module to your course, select it and click on the "Import into course" button. It will allow you to select which class you'd like to put it in. You can pick multiple courses if you'd like.

IMPORTANT:

You do not need to utilize all parts of the Module. Feel free to delete any parts you do not need.

To delete an item, use the settings wheel at the end of the item, and simply select delete.

If you have any questions, feel free to contact me.
