

How to Access Power Point

⇒ Log into your TC Email, (or other Outlook email account) to access Power Point.

- You can access these files anywhere you have an active web connection.

Go to the top left hand corner and locate the options icon:

Locate the **PowerPoint** program from the options list.

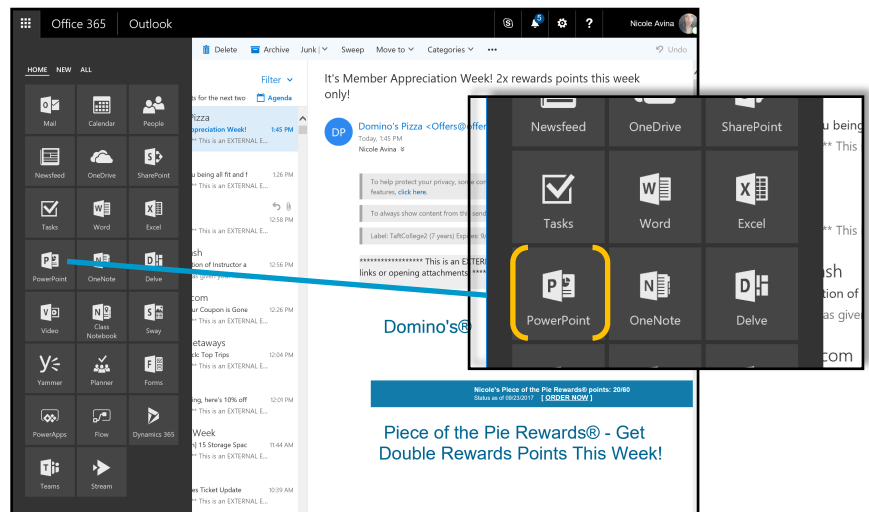

The program will open up and you can start designing.

If you have any questions or get stuck along the way, please contact us for assistance.
