

# Moderating a Quiz

This is done IF:

- ◆ A student has already used their attempts on a quiz or exam and **you are granting another one.**
- ◆ If a student has an **accommodations** card and needs more test time.

## Steps:

1. Go to the quiz in question
2. Select **"Moderate This Quiz"** on the right hand side
3. Find the student that requires an additional attempt and select the pencil (**You can see quiz details on this page**)
4. A box will pop open that will allow you to allow additional attempts for a student and adjust test time for students in need of accommodations.

## On this page you can see:

- The student
- How many times they attempted to take the quiz
- How long it took them to finish
- How many attempts they have left, if any.
- Score earned, if available
