

We are excited to offer Tutoring for Distance Ed (online) students!

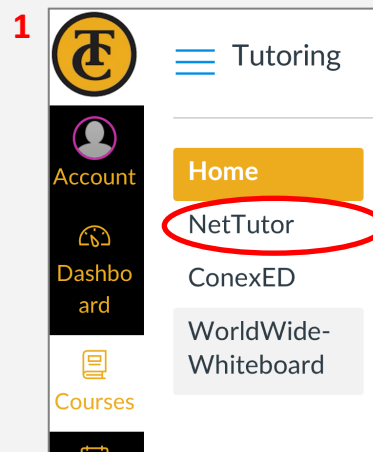

Here's a little information on what to expect when attempting to use this resource:

This tab, will only be available in a couple courses this Fall. We are doing this to test out the resource and get student feedback.

You will have a couple different options for tutoring. You will be able to use:

- **Meet with a live tutor:** online tutoring that takes place at the same time from different locations.
- **Asynchronous tutoring:** Drop off a question that you may have and get a response from a tutor. **Can take up to 48 hours**, so schedule your questions accordingly with your assignment due dates.
- **Your locker:** In each section you receive tutoring, you will get a locker with all past tutoring session to refer back to.
