

What is NEW?

Starting January 11th, you will be able to access your Canvas account & your student email account with your Canvas login credentials.

Not having to remember two separate logins, will make accessing your accounts a little easier.

- **Students:** Use your Original TC login information to login. (same as Canvas login)
- **Faculty/Staff:** Use your desktop login info.
- Please take the time to set up your account **if** you get the “Set up Account” prompt. This will allow you to reset your password if you ever forget it.
