Congratulations on taking steps to further your education! We are excited to get to know you and help you out along the way.

If you need to check your class schedule, you can check your TC registration in your Cougar Tracks account.

If you'd like to prepare for online courses ahead of time try using this **getting started tool**.

Things You'll Need to Know:

1 If **you are brand new to Taft College,** you will not be able to **log into** Canvas, until **2 weeks before the semester starts**

2 If you are a returning student you will already have an active Canvas account. You can login with the same information you have been using.

3 Your classes will be available on your Canvas dashboard.

4 If you do want to see your classes in Canvas, use the "Courses" tab and select the blue lettering that says "All Courses".

5 If you use an add code, our enrollment information updates into Canvas at **6 and 12 AM &PM**

6 If you are on a **waitlist** you will **not** see this course in Canvas until you are enrolled.
