**Hello Taft College Faculty. IT is beginning the Single-Sign-On (SSO) configuration project. One of the first accounts that will be 'turned on' for SSO will be Canvas.**

### What do I need to know about SSO and Canvas?

- You'll want to update your Canvas bookmark link to:  
<https://taftcollege.instructure.com/login/saml>
- Your login information will be the same as your desktop login.  
First initial + Last name & your current desktop password
- You will need to set up your security questions\* after your initial login. \*In case you ever need to use the "Forgot Password?" option

**-If you need to change your password** you can double back to the link after setting up your account. Click on **"Set Password"**

### How to Update a Bookmark in Chrome

- 1) Open your browser
- 2) Hold down **CTRL+Shift+O**
- 3) Click on the Canvas Login Bookmark **ellipsis**
- 4) Select **"Edit"**
- 5) Update the URL in the Edit Shortcut box
- 6) Click done
