

PHYSICAL GEOGRAPHY
1510-30
DISTANCE LEARNING OFF-LINE
Spring 2020

Instructor: Mr. Tom Ware

Course Description

Geography 1 (Physical Geography) is an introductory course in the elements of Physical Geography.

Text

McKnight's Physical Geography: A Landscape Appreciation, Darrel Hess, Pearson, 12th ed., ISBN: 13-978-0-134-19542-1. Text is available at the Taft College book store. It can be rented.

Office Hours

None

Grading Policy

Your grade will be determined by your total points: 90%-A, 80%-B, and so on. Assignments are worth 20 points each. Your quizzes are open book. Turn in and collect work with your site coordinator. Your assignments are provided by your site coordinator.

Testing

Your quizzes and tests will be open book. Turn in the unit quiz with the accompanying assignment. There is no final.

Working together is fine. However, only one may hand in typed work. The other (s) must hand write work. Printing identical copies is considered plagiarism.

Type work or use ink. Any pencil work must be **very dark**. All writing must be **large** enough to read. Be neat!!

GEOG 1510 Course #1 -Student will be able to list and describe the four spheres (systems) operating on and within the Earth and can identify if these systems are classified as open, closed, or isolated
