Adding Video files to a Discussion :

1When you are ready to submit, make sure you have the file or share code of the video you're adding to your response. If the video is on YouTube, you can use the share code

First, Click "Reply" [↩ Reply]
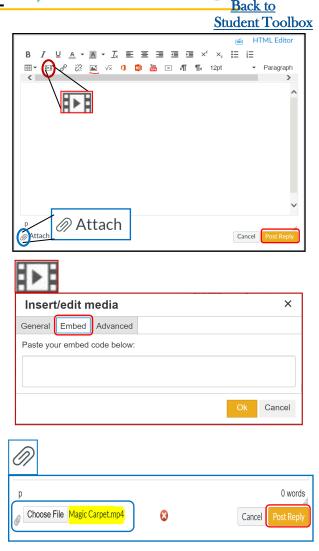

You have 2 options for adding a video.

Use an Embed Code-

1. On the text box tool bar, locate the Movie Reel icon. Click on it to add your video.

2. Click on the "Embed" tab and paste the Video share code you'd like ot add to your discussion.

Attach Video file– You must have the file saved to your device. Usually an MP4.

1. Click on the paperclip icon

2. Click on the "Choose File" button, and attach your video file.

3. When done, with your discussion response, click "Post Reply"
