Questions

This will require students to place answers into the correct categories. Students must get all correct to receive full credit. Partial points are at the discretion of the instructor.

1. **Question Titles** do not display to students. They are to help you find your question quickly through the Navigation or Banks.
2. Use the **Question Stem** for the question and any instructions or information.
3. Click the **+ Answer** to add more answers under your categories. You can also add more categories with the **+ Category**.
4. Here you will also be able to allow a on screen **Calculator**, Align to **Outcomes**, add this question to your **Bank**, and set the question **Points**.
5. You can also add **Student Feedback** for Correct Answers, Incorrect Answers, or General Feedback.

A screenshot of a software interface for creating a question. At the top, there's a tab labeled '6 Categorization' and a text input field for 'Question Title'. Below this is a large text area for 'Add Question Stem...'. Underneath, there's a section for 'Category 1' with a trash icon. It contains a text input for 'Type a category description', another for 'Type an answer' with a trash icon, and two blue buttons: '+ Answer' and '+ Category'. Below the category section is 'Additional Distractors' with a '+ Distractor' button. Further down are sections for 'Options' (with a dropdown arrow), 'Show on-screen calculator' (with a checkbox), 'Align to Outcomes (0)' (with a right arrow), and 'Item Banking' (with a right arrow). At the bottom, there's a 'Points' field with a value of '1', a 'Points' label, a copy icon, and 'Cancel' and 'Done' buttons.
