

Customize Proctorio Settings

[Back to Fac. Toolbox](#)

Once you have created your Quiz or Exam you can modify your settings!

Steps:

1. Go to the [Quiz](#) or Exam you just created and click [Edit](#).
2. Then go [Proctorio Settings](#).
3. If you want to Record Video and Audio you will need to click [Record Video](#) and [Record Audio](#) under Recording Options. You will also need to click on [Verify Video](#) and [Verify Audio](#). **If you do not select the verify options students can disable their video feed in the middle of an exam.**

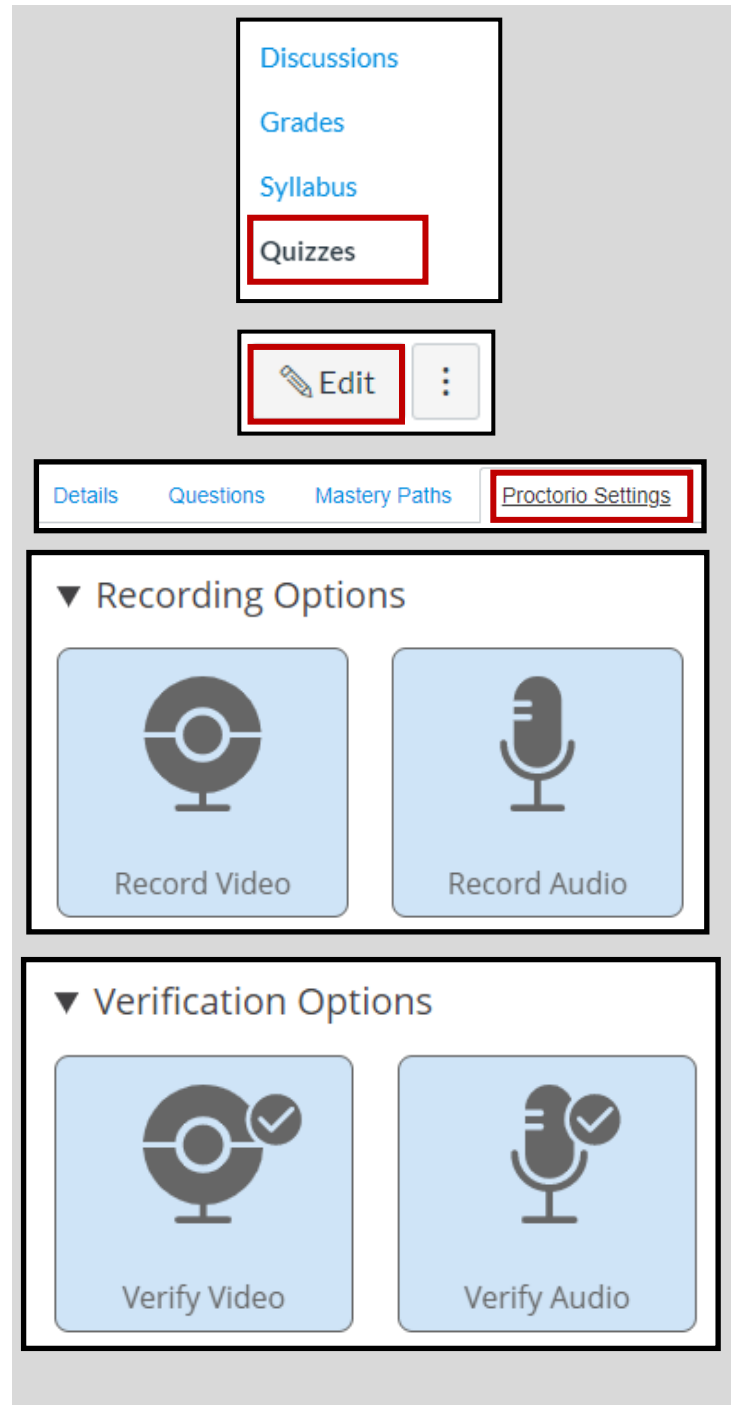

Settings cannot be changed once a student has started the exams.

Other features are available to prevent cheating with Proctorio.
