Questions

This will require your students to place answers in a specific order.

1. **Question Titles** do not display to students. They are to help you find your question quickly through the Navigation or Banks.
2. Use the **Question Stem** for the question and any instructions or information.
3. Click the **Top Label and Bottom Label** to help guide students on how to organize the answers.
4. Use the **Trash can** to remove an Answer and the 8 dots to **Move an Answer** Up or Down.
5. Here you will also be able to allow a on screen **Calculator**, **Align to Outcomes**, add this question to your **Bank**, and set the question **Points**.
6. You can also add **Student Feedback** for Correct Answers, Incorrect Answers, or General Feedback.
