

Starting the Semester Off Right

- [How to login to Canvas](#)– Here is where you can locate default login information. All students have a login already set.
- [Troubleshooting the Login Process](#)– If you run into problems, here are steps on how to fix them.
- [Canvas Virtual Tour](#)- Familiarize yourself with how to best navigate Canvas.
 - **Check into each of your courses**– Some courses have introduction assignments that need to be submitted so you are not dropped.
 - **Look through your course Syllabi**– Everything you need to know about the course will be in here.
- [Zoom Interactive tool](#)- Get to know the Zoom Platform.
- [Know your DE Student Toolbox](#)– This student tool houses many helpful resources. From how to submit an assignment, to how to download free Microsoft programs!
