Staff shall be provided with opportunities to participate in the formulation and development of district policies and procedures, as well as in those processes for jointly developing recommendations for action, that have or will have a significant effect on staff.

Prior to the Board of Trustees taking action on such matters, staff will be provided with the opportunity to participate in the formulation and development of those matters through appropriately determined procedures and committee participation as described in the *Taft College Governance Guide*.

The Board shall give every reasonable consideration to recommendations and opinions of staff.

Procedures for Participation

The following procedures are provided to enable meaningful participation by staff in the college governance process:

1. Participation by staff in college governance will be facilitated primarily through the college's committee and Governance Council structure which is constituted to be representative of all employee segments in the district.
2. The selection of staff representatives to serve on college and district task forces, committees (with the exception of hiring committees) or other governance groups shall, when required by law, be made by those councils, committees, employee organizations or other staff groups that the governing board has officially recognized in its policies and procedures, and as outlined in the *Taft College Governance Guide*.
3. Major recommendations of individual committees (excluding those within the purview of the Academic Senate under AB1725), that have implications for the larger college community will be forwarded to Governance Council for review and consideration.

Scope of Regulations

1. In developing and carrying out policies and procedures pursuant to these regulations, the governing board shall ensure that its actions do not dominate or interfere with the formation or administration of any employee organization, or contribute financial or other support to it, or in any way encourage employees to join any organization in preference to another.
2. Procedures for staff participation shall not intrude on matters within the scope of representation under Section 3543.2 of the Government Code.
3. In addition, the Governing Board shall not interfere with the exercise of employee rights to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters or employer-employee relations.
4. Nothing in this section shall be construed to impinge upon or detract from any negotiations or negotiated agreements between exclusive representatives and district governing board.
5. It is the intent of the Governing Board to respect lawful agreements between staff and exclusive representatives as to how they will consult, collaborate, share or delegate among themselves the responsibilities that are or may be delegated to staff pursuant to these regulations.
