Background:

As part of the continuing dialogue through the TCFBC, the parties have reached a consensus regarding the language and intent of the security camera policy. The parties have agreed to add Article 6.9, Campus Security Video Monitoring and Surveillance Technology, to the current collective bargaining agreement to read as follows:

6.9 Campus Security Video Monitoring and Surveillance Technology

Video monitoring will not be used to view or record workstations, including private offices, desks or cubicles, classrooms, or rooms where students, staff and/or faculty commonly work, study, or hold discussions, living areas, or other common-use areas where a reasonable expectation of privacy exists.

Information obtained in violation of the District's campus security camera policy may not be used in a disciplinary proceeding (with the exception of alleged criminal activity) against a faculty member.

It is not the intent of the policy to use security cameras for the monitoring of faculty or employees for disciplinary purposes, performance evaluations, or corrective action.

The District will provide a 10-day written notice to the President and Vice-President of the Faculty Association of proposed installation of new cameras. 2019-2022 Student Equity Plan

Background:

Educational code requires the completion of a student equity plan in order to ensure equal education opportunities and promote student success for all students, regardless of race, gender, age, disability, or economic circumstances. Taft College's Student Equity Plan outlines the two disproportionately impacted groups as identified by the state Chancellor's office. The plan also outlines goals related to closing the achievement gap for the disproportionately impacted groups as well as focusing on additional groups identified by the College as those who could benefit from "Equity First" activities.

The Student Equity Plan reviews prior year goals and expenditures and outlines goals and expenditures for 2019-2022.

Student Equity Plan 2019-2022: Executive Summary

Taft College, in the West Kern County Community College District, is located in the city of Taft, California, in the southwestern edge of the San Joaquin Valley in Kern County. The population of Taft was 9,327 at the 2010 census. Taft College in the 2017-2018 academic year served 9,505 students, with an FTES count of 2,889. Of these, 40.3% were female, and 59.7% were male. By race or ethnicity, Asian students made up 1.8% of the population, Black or African Americans students made up 5.8%, Filipino students 1.3%, Hispanic students 44.6%, Pacific Islander students 0.8%, Native American students 3%, White students 32.7%, Mixed race students 9.6%, and other or unknown ethnicity 0.6%. Taft College draws students from the immediate and surrounding areas, including larger metropolitan areas within about a 30 mile radius. Taft College also serves two nearby correctional facilities.

Student equity and success are central to Taft College's vision, mission, and values:

- Vision
 - Taft College instills a passion for learning, leading to success for all.
- Mission
 - Taft College is committed to creating a community of learners by enriching the lives of all students we serve through career technical education, transfer programs, foundational programs, and student support services. Taft College provides an equitable learning environment, defined by applied knowledge leading to students' achievement of their educational goals.
- Values
 - Students and their success.
 - A learning community with teaching excellence.
 - An environment conducive to learning, fairness, dialogue, and continuous improvement.
 - A communicative, collaborative, collegial, and respectful culture.
 - A partnership of students, faculty, support services, and community.
 - Innovation, diversity, creativity, and critical thinking.
 - Academic, financial, personal, and professional integrity.
 - Employees and their professional development.
 - A transparent, accessible, participative governance structure.
 - Innovation, diversity, creativity, and critical thinking.
 - An environment conducive to learning, fairness, dialogue, and continuous improvement.

Ongoing dialogue and integrated planning processes reduce the student achievement gap. College personnel, in collaboration with students, can explore effective and promising practices and provide support services to marginalized students and those who could benefit from additional resources. Widespread dialogue and scalable activities focus on removing barriers for students. These conversations and interventions are student-centered, contributing to the developing culture of Taft College as a student-centered, student-ready institution.

In developing this plan, the college chose to prioritize equity using an "Equity First" approach with a student-ready mindset. This mindset is based on the belief that "every student can succeed." In meeting the "Equity First" approach, all goals are integrated, driving equity-mindedness as the college engages in data mining and data inquiry addressing achievement gaps. The Integrated Plan framework is driven by the college's mission and vision and is aligned with the college Strategic Action Plan. Taft

College is using the Guided Pathways framework to refine existing programs, reduce duplication, expand resources, and support new opportunities for students while strengthening integration efforts across programs.

One of the goals of the Equity Plan is to close the achievement gap for disproportionately impacted groups as identified by the state Chancellor's Office. Another goal is to focus on additional groups identified by Taft College as those who could benefit from the "Equity First" activities. An evaluation process will be implemented, applying defined metrics to the achievement of the goals. The data, assessment, metrics, and overall evaluation will continue to be discussed and reviewed by the Student Success Committee and by the Access Committee on an annual basis. Specific equity activities are listed under each goal aligned with the budgeted funds for those activities.

The two largest disproportionately Impacted groups currently identified by the state Chancellor's Office include:

- Hispanic or Latino males
- White males

The majority of our two largest Disproportionately Impacted groups, White Males and Hispanic/Latino males, are full time employees of industries in our energy sector (oil and petroleum industry). In order to be initially employed – and to remain employed – they must take short-term extended safety courses mandated for California oil producers. They complete these through our contracted education partner, WESTEC (Westside Energy Services Training and Education Center). While these courses also serve as entry level course to certificates through Taft College, students taking these courses are doing so primarily for the purpose of continued employment. Their success goals are not typically toward obtaining a college certificate or degree, rather their immediate goal is continued family wage employment. However, Taft College realizes the importance of continued education to obtain certificates or degrees, so Taft College will continue to provide directed onsite academic counseling at the WESTEC facility on a regular basis and will begin a more robust outreach program directed to these students in Fall 2019, to be reassessed in Fall 2021.

Taft College has an interest in promoting student success for students who were not identified among groups significantly Disproportionately Impacted, but could benefit from equity focused activities. These include groups identified by the Chancellor's Office in previous years as disproportionately impacted:

- Current or former foster youth
- Students with disabilities
- Veterans
- African-American students

Taft College has implemented several processes through the Guided Pathways initiative to ensure the institution consistently and regularly reviews its practices, activities, and policies integral to supporting an equitable learning experience for underserved students. Formal practices include monthly meetings attended by categorical program leaders to discuss services and support available for students (Student Services Staff Meeting, DSPS Staff Meeting, EOPS/CARE/CalWORKS Staff Meeting) and semi-annual advisory board committee meetings (DSPS, EOPS/CARE/CalWORKS). These categorical programs have also created formal processes for referral to capture students identified from general populations who may benefit from categorical program supports. The college's federal TRIO program is integrated into the student services structure to identify students who may not be eligible for state sponsored programs. There are assigned staff and faculty members to support the needs of current and former foster youth,

veterans, and students with disabilities.

Other formalized institutional practices which support the coordination of equity-related programs include annual program review, mandated state and federal annual reporting, and categorical program plans. Through these formal processes, the faculty and administrative leadership responsible for various categorical programs and services coordinate efforts to recruit students, implement program plans, and align program goals with the district’s identified institutional planning priorities (as identified in the district’s Strategic Action Plan, EEO Plan, Educational Master Plan, and SEA Plan).

In addition to reporting and planning practices, several faculty, staff, and administrative members from categorical programs serve on various shared governance committees, including: the Governance Council, the Guided Pathways Oversight Committee, the Academic Development Committee, the 508 Accessibility Committee, Student Services Coordinators Team, the Student Success Committee, and the Access Committee. It is in these settings that the objectives and activities of categorical are shared with other college members, enhancing efforts to coordinate across categorical and college programs.

1. The District shall annually collect the demographic data of its employees and applicants for employment in order to evaluate progress in implementing the EEO plan and to provide data needed for required analyses.
2. An annual report to the California Community Colleges Chancellor's Office of this demographic data. The report shall identify each employee as belonging to one of the following seven job categories:
 - A. Executive/ Administrative/Managerial
 - B. Faculty and other Instructional Staff
 - C. Professional Non-Faculty
 - D. Secretarial/Clerical
 - E. Technical and Paraprofessional
 - F. Skilled Crafts; and
 - G. Service and Maintenance
3. The opportunity for each employee to identify his or her gender, ethnicity and, if applicable, disability. This opportunity must allow for a person to designate multiple ethnic groups with which he or she identifies. However, the person may only be counted in one group for reporting purposes.
4. Districts shall review the annually collected demographic data to determine if significant underrepresentation of a monitored group may be the result of non-job-related factors in the employment process. For the purposes of this subdivision, the phases of the employment process include but are not limited to recruitment, hiring, retention, and promotion. The information to

be reviewed shall include, but need not be limited to, a longitudinal analysis of data regarding job applicants to identify whether over multiple job searches, a monitored group is disproportionately failing to move from the initial applicant pool, to the qualified applicant pool. The District shall also provide analysis of data regarding potential job applicants, to the extent provided by the Chancellor of the California Community Colleges, which may indicate significant underrepresentation of a monitored group.

EEO Advisory Committee

1. The District shall establish an EEO Advisory Committee; and
2. The Advisory Committee shall include a diverse membership whenever possible.
3. The Advisory Committee shall receive training in all of the following: applicable Title 5 regulations and of state and federal nondiscrimination laws; the educational benefits of workforce diversity, the identification and elimination of bias in hiring decisions; and the role of the Advisory Committee in carrying out the District's EEO plan.

The responsibilities of the Committee shall include but be limited to the following:

1. Review and advise on recruitment efforts; job announcements, interview protocols, retention efforts and other aspects of the hiring, retention, and promotion processes that impact the District's ability to attract and retain a diverse faculty and staff;
2. Advise on implementing the District's obligation to hire faculty and administrators with a demonstrated sensitivity to, and understanding of, the diverse academic, socioeconomic, cultural, disability and ethnic backgrounds of community college students;
3. Promote communication with community groups and organizations for people with disabilities;
4. Promote hiring of faculty who have, themselves, graduated from a community college;
5. Develop communications among departments to foster understandings of the plan;
6. To advise the Superintendent/President regarding special training or staff development needs;

7. Review the plan and monitor its progress;
8. Recommend changes needed in the plan; and
9. Review and approve the annual written report to the Superintendent/President, the Board of Trustees, and the California Community Colleges Chancellor's office.

Employment Procedures

Job Analysis and Validation: The Human Resource Department shall assure that a proper job analysis is performed for every job filled by the District to determine and validate the knowledge, skills, abilities and characteristics an employee must possess to perform the job satisfactorily. A statement of bona fide essential functions and minimum qualifications shall be developed for all positions.

Job Description: Every job description shall provide a general statement of job duties and responsibilities. Job specifications shall include functions and tasks; knowledge; skills; ability; and job related personal characteristics, including, but not limited to sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, disability, and ethnic backgrounds of community college students.

Recruitment: Recruitment must be conducted actively within and outside of the District work force.

Open recruitment is mandated for all new full-time and part-time positions, except under limited circumstances involving interim hires.

Recruitment must utilize outreach strategies designed to ensure that all qualified individuals are provided the opportunity to seek employment with the District.

Recruitment for administrative and faculty positions (full and part-time) may include advertisement in appropriate professional journals, job registries and newspapers of general circulation; distribution of job announcements to the EEO Registry, K-12 districts, two and four year colleges, and graduate schools where appropriate candidates might be enrolled; recruitment at conferences, fairs, and professional meetings; notices to institutions and professional organizations.

Recruitment for classified positions shall include notice to all District personnel; notice to Employment Development Department; and advertising in area newspapers of general circulation.

Applicant Pools: The application for employment shall afford each applicant an opportunity to identify himself or herself voluntarily as to gender, ethnicity and, if

applicable, his or her disability. This information shall be maintained in confidence and shall be used only for research, validation, monitoring, evaluation of the effectiveness of the plan, or as authorized by law.

After the application deadline has passed, the initial applicant pool shall be recorded and reviewed by the Executive Director of Human Resources or designee. All initial applications shall be screened to determine which candidates satisfy job specifications set forth in the job announcement. The group of candidates who meet the job specifications shall constitute the "qualified applicant pool."

Once the qualified applicant pool is formed, the pool must again be analyzed. If the Executive Director of Human Resources or designee finds that the composition of the qualified applicant pool may have been influenced by factors which are not job related, the District may immediately, and before the selection process continues, consult with legal counsel to determine what, if any, corrective action is required by law.

Screening and Selection: Screening, selecting and interviewing candidates for all positions shall include thorough and fair procedures that are sensitive to issues of diversity. Procedures to be used must address or include that:

1. Hiring procedures will be provided to the California Community Colleges Chancellor's office on request.
2. All tests conform to generally applicable legal standards for uniformity.
3. A reasonable number of candidates are identified for interview.
4. Screening committees are developed that are representative of the District community and campus; include administrators, faculty, and classified staff members; include a diverse membership when possible; do not include applicants or persons who have written letters of recommendation.
5. Every screening committee includes an individual trained to monitor conformance with EEO requirements. The Executive Director of Human Resources assures that the screening and selection process conforms to accepted principles and practices, including preparation of job related questions in advance; maintains notes for all interviews and record relevant factual reasons stating why a candidate was not hired or was not invited to interview; and monitors the hiring process for adverse impact.
6. Selection shall be based solely on the stated job criteria.

7. For faculty and administrative positions, candidates shall be required to demonstrate sensitivity to diversity in ways relevant to the specific position.

If the District determines that a particular monitored group is significantly underrepresented with respect to one or more job categories, the District shall take the following additional steps:

1. Review its recruitment procedures;
2. Consult with counsel to determine whether there are other, additional measures that may be undertaken that are required or permitted by law;
3. Consider various other means of reducing the underrepresentation which do not involve taking monitored group status into account and implement any such techniques that are feasible;

If significant underrepresentation persists:

1. Review each locally-established job qualification to determine if it is job related and consistent with business necessity;
2. Discontinue the use of any non-job-related local qualification; and
3. Continue using job-related local qualifications only if no alternative standard is reasonably available; and
4. Consider the implementation of additional measures designed to promote diversity.

Delegation of Authority

West Kern Community College District shall be responsible for the designation of a single person as the "EEO Officer" charged with overseeing the day-to-day implementation of the EEO plan and programs. The District has designated the Executive Director of Human Resources as its EEO Officer, who is responsible for the day-to-day implementation of the EEO plan and procedures. The complaint must be filed by someone who alleges that he or she has personally suffered unlawful discrimination, or by someone who has learned about unlawful discrimination in his or her official capacity.

When a proper complaint is received, the District will begin an impartial fact-finding investigation, and notify the complainant and the California Community Colleges Chancellor's office that it is doing so.

When the investigation is done, the results must be set forth in a written report. The written report must include a description of the circumstances giving rise to the complaint, a summary of the testimony of each witness, an analysis of any relevant data or other evidence collected during the investigation, a specific

finding as to whether discrimination did or did not occur with respect to each allegation in the complaint, and any other appropriate information.

In any case that does not involve employment discrimination, the District must provide the California Community Colleges Chancellor's office with a copy of the investigative report within 90 days from the date the District received the complaint. If the complainant is not satisfied with the results of the administrative determination, the complainant must be given the opportunity to submit a written appeal to the governing board within 15 days from the date of the notice of the administrative determination. The Board must review the original complaint, the investigative report, the administrative determination, and the appeal and must issue a final District decision within 45 days of receiving the appeal.

In any case not involving employment discrimination, a copy of the final District decision must be promptly forwarded to the complainant and the California Community Colleges Chancellor's office. The complainant must be notified of his or her right to appeal. In any case involving employment discrimination, a copy of the final District decision must be promptly forwarded to the complainant. The complainant must be notified of his or her right to file a complaint with the DFEH.

PLAN COMPONENT 1: Introduction

The West Kern Community College District Equal Employment Opportunity Policy was adopted by the Governing Board on June 11, 2003. The Equal Employment Opportunity Plan (Plan) was adopted by the Governing Board on September 12, 2018. The Plan reflects the District's commitment to equal employment opportunity. It is the District's belief that taking active and vigorous steps to ensure equal employment opportunity and creating a working and academic environment, which is welcoming to all, will foster diversity and promote excellence.

This Plan is supportive of the West Kern Community College District's institution level Student Learning Outcome relating to "Community/Global Consciousness and Responsibility". At Taft College, graduates should be able to demonstrate social and cultural awareness, ethical behavior, effective and sensitive communication, and a commitment to learning. This Plan is reflective of the belief at Taft College that through an educational experience in an inclusive environment, our students will be better prepared to work and live in an increasingly global society.

The Plan's immediate focus is equal employment opportunity in its recruitment and hiring policies and practices pursuant to the applicable Title 5 regulations (section 53000 et seq.) and the steps the District shall take in the event of underrepresentation of monitored groups. The Plan contains an analysis of the demographic makeup of the District's workforce population and an analysis of whether underrepresentation of monitored groups exists. The Plan also includes the requirements for a complaint procedure for noncompliance with the Title 5 provisions relating to equal employment opportunity programs; complaint procedures in instances of unlawful discrimination; establishment of an EEO Advisory Committee; methods to support equal employment opportunity and an environment which is welcoming to all; and procedures for dissemination of the Plan. To properly serve a growing diverse population, the District will endeavor to hire and retain faculty and staff who are sensitive and knowledgeable of the needs of the continually changing student body it serves.

Dr. Debra Daniels
Superintendent/President
West Kern Community College District

PLAN COMPONENT 2: Definitions

1. **Adverse Impact:** a statistical measure (such as those outlined in the EEO Commission' s Uniform Guidelines on Employee Selection Procedures) that is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.
2. **Business Necessity:** circumstances which justify an exception to the requirements of section 5302 1(b) (l) because compliance with that section would result in substantial additional financial cost to the district or pose a significant threat to human life or safety. Business necessity requires greater financial cost than mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.
3. **Diversity:** a condition of broad inclusion in an employment environment that offers equality and respect for all persons. A diverse educational community recognizes the educational benefits that flow from employee populations that are varied by race, gender, disability status, belief, age, national origin, cultural background, life experience and other enriching characteristics.
4. **Equal Employment Opportunity:** all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories listed in section 53004(a). Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by Title 5, section 53000 et seq.
5. **Equal Employment Opportunity Plan:** a written document in which a district' s workforce is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.
6. **Equal Employment Opportunity Programs:** all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of section 53006.
7. **Ethnic Minorities:** American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.
8. **Ethnic Group Identification:** an individual's identification in one or more of the ethnic groups reported to the Chancellor pursuant to section 53004. These groups shall be more specifically defined by the Chancellor consistent with state and federal law.
9. **Goals for Persons with Disabilities:** a statement that the District will strive to attract and hire additional qualified persons with a disability in order to achieve the level of projected

representation for that group by a target date established by taking into account the expected turnover in the workforce and the availability of persons with disabilities who are qualified to perform a particular job. Goals are not "quotas" or rigid proportions.

10. **In-house or Promotional Only Hiring:** means that only existing District employees are allowed to apply for a position.
11. **Monitored Group(s):** those group(s) identified in section 53004(b) for which monitoring and reporting is required pursuant to section 53004(a).
12. **Person with a Disability:** any person who (1) has a physical or mental impairment as defined in Government Code, section 12926 which limits one or more of such person's major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is "limited" if the condition makes the achievement of the major life activity difficult.
13. **Projected Representation:** the percentage of persons from a monitored group determined by the District to be available and qualified to perform the work in question.
14. **Reasonable Accommodation:** the efforts made on the part of the District to remove artificial or real barriers, which prevent or limit the employment and upward mobility of persons with disabilities. "Reasonable accommodations" may include the items designated in section 53025.
15. **Screening or Selection Procedures:** any measure, combination of measures, or procedures used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.
16. **Significantly Underrepresented Group:** any monitored group for which the percentage of persons from that group employed by the District in any job category listed in section 53004(a) is below eighty percent (80%) of the projected representation for that group in the job category in question.
17. **Target Date:** a point in time by which the district plans to meet an established goal for persons with disabilities and thereby achieve projected representation in a particular job category.

PLAN COMPONENT 3: Policy Statement

The West Kern Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice. It is the District's policy to ensure that all qualified applicants for employment and employees have full and equal access to employment opportunities and are not subjected to discrimination in any program or activity of the District on the basis of national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. The District will strive to achieve a workforce that is welcoming to men, women, persons with disabilities, and individuals from all ethnic and other groups to ensure the District provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy, and free expression of ideas. An EEO Plan will be maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

PLAN COMPONENT 4: Delegation of Responsibility, Authority and Compliance

It is the goal of the West Kern Community College District that all employees promote and support equal employment opportunity because equal employment opportunity requires a commitment and a contribution from every segment of the District. The general responsibilities for the prompt and effective implementation of this Plan are set forth below.

1. **Governing Board:** The Governing Board is ultimately responsible for proper implementation of the District's Plan at all levels of district and college operation and for ensuring equal employment opportunity as described in the Plan.
2. **Superintendent/President:** The Governing Board delegates to the Superintendent/President the responsibility for ongoing implementation of the Plan and for providing leadership in supporting the District's equal employment opportunity policies and procedures. The Superintendent/President shall advise the Governing Board concerning statewide policy emanating from the Board of Governors of the California Community Colleges and direct the publication of an annual report on plan implementation. The Superintendent/President shall evaluate the performance of all administrative staff who report directly to him/her on their ability to follow and implement the Plan.
3. **Equal Employment Opportunity Officer:** The District has designated the Executive Director, Human Resources as its EEO Officer who is responsible for the day-to-day implementation of the Plan. If the designation of the EEO Officer changes before this Plan is next revised, the District will notify employees and applicants for employment of the new designee. The EEO Officer is responsible for administering, implementing, and monitoring the Plan and for assuring compliance with the requirements of Title 5, sections 53000 et seq. The EEO Officer is also responsible for receiving complaints described in Plan Component 6 and for ensuring that applicant pools and selection procedures are properly monitored.
4. **Equal Employment Opportunity Advisory Committee:** The District has established an EEO Advisory Committee to act as an advisory body to the EEO Officer and to promote understanding and support of equal employment opportunity policies and procedures. The EEO Advisory Committee shall assist in the implementation of the Plan in conformance with state and federal regulations and guidelines, monitor equal employment opportunity progress, and provide suggestions for Plan revisions as appropriate.
5. **Agents of the District:** Any organization or individual, whether or not an employee of the District, who acts on behalf of the Governing Board with regard to the recruitment and screening of personnel, is an agent of the District and is subject to all the requirements of this Plan.
6. **Good Faith Effort:** The District shall make a continuous good faith effort to comply with all the requirements of its Plan.

PLAN COMPONENT 5: Advisory Committee

The District has established an EEO Advisory Committee to assist the District in implementing its Plan. The Committee may promote an understanding of the following:

- Equal opportunity,
- Nondiscrimination policies and procedures,
- Retention,
- Diversity.

The Committee may offer events and training on the following topics:

- Requirements of state and federal nondiscrimination,
- Identification and elimination of bias in hiring,
- Educational benefits of workforce diversity, and
- The role of the advisory committee in carrying out the District's EEO Plan.

The designated EEO Officer shall train the Advisory Committee on equal employment compliance and the Plan itself. The Committee shall include a diverse membership. A substantial good faith effort to maintain a diverse membership is expected. If the District has been unable to meet this requirement, it will document that efforts were made to recruit Advisory Committee members who are members of monitored groups.

The Committee may be composed of employee populations- three faculty members, three administrators/managers, two students, and two community members- varied by race, gender, sexual orientation, disability, and socio-economic backgrounds. Ex-officio members shall include the designated EEO Officer /Title IX (Employees) Officer and/or appointed designee. The EEO Advisory Committee shall hold a minimum of four (4) meetings per fiscal year with additional meetings if needed to review equal employment opportunity and diversity efforts, programs, policies, and progress. When appropriate, the Advisory Committee shall make recommendations to the Governing Board, the Superintendent/President and the EEO Officer.

PLAN COMPONENT 6: Complaints

1. **Complaints Alleging Violation of the Equal Employment Opportunity Regulations (Section 53026).** The District has established the following process permitting any person to file a complaint alleging that the requirements of the equal employment opportunity regulations have been violated. Any person who believes that the equal employment opportunity regulations have been violated may file a written complaint describing in detail the alleged violation. All complaints shall be signed and dated by the complainant and shall contain, to the best of the complainant's ability, the names of the individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation. Complaints involving current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify a compelling reason for the District to waive the sixty (60) day limitation. Complaints alleging violations of the Plan that do not involve current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than ninety (90) days after such occurrence unless the violation is ongoing. A complainant may not appeal the District's determination pursuant to section 53026 to the Chancellor's Office, but under some circumstances, violations of the equal opportunity regulations in Title 5 may constitute a violation of a minimum condition for receipt of state aid. In such a case, a complaint can be filed with the Chancellor's Office, but the complainant will be required to demonstrate that he/she made previous reasonable, but unsuccessful, efforts to resolve the alleged violation at the college and/or district level using the process provided by section 53026. (See California Community Colleges Chancellor's Office Guidelines for Minimum Conditions Complaints at:

The District may return without action any complaints that are inadequate because they do not state a clear violation of the equal employment opportunity regulations. All returned complaints must include from the District a statement of the reason for returning the complaint without action.

How to File a Complaint:

The complaint shall be filed with the EEO Officer in the Human Resources Department. If the complaint involves the EEO Officer, the complaint may be filed with the Superintendent/President. To the extent practicable, a written determination on all accepted written complaints will be issued to the complainant within ninety (90) days of the filing of the complaint. The EEO Officer will forward copies of all written complaints to the Chancellor's Office upon receipt.

In the event that a complaint filed under section 53026 alleges unlawful discrimination, it will be processed according to the requirements of section 59300 et seq.

Department. If the complaint involves the EEO Officer, the complaint may be filed with the Superintendent/President. The District's discrimination and sexual harassment complaint procedures are currently under review and will be added to the District's administrative procedures on the District website as soon as they are finalized.

Any exceptions to the training requirements are at the discretion of the EEO Officer. The Human Resources Department is responsible for providing the required training. Any individual, whether or not an employee of the District, acting on behalf of the District with regard to recruitment and screening of employees is subject to the equal employment opportunity requirements of Title 5 and the District's EEO Plan.

PLAN COMPONENT 9: Annual Written Notice to Community Organizations

This information will be kept confidential and will be separated from the applications that are forwarded to the screening/selection committee. The District will annually report to the Superintendent/President the results of its annual survey of employees. At least every three years the Plan will be reviewed and, if necessary, revised based on an analysis of the ethnic group identification, gender, and disability composition of existing staff and of those who have applied for employment in each of the following identified job categories:

COMPONENT 11: Methods to Address Underrepresentation

The West Kern Community College District is committed to assuring equal employment opportunity and therefore makes all efforts to build a community in which opportunity is equalized. The District is committed to fostering a climate of acceptance, with the inclusion of faculty and staff from a wide variety of backgrounds.

As noted earlier, Taft College supports the belief that diversity in the academic environment fosters cultural awareness, mutual understanding and respect, and provides students with an appreciation for diversity beyond the college campus.

To create this environment, the District places great emphasis on the recruitment of potential applicants in order to create a diverse pool of qualified individuals from which to hire. With a diverse pool, the District takes steps within the screening/selection process to allow for the hiring of candidates with varied backgrounds who can contribute and effectively communicate in a diverse community. The equal employment opportunity provisions below are applicable to all hiring activities regardless of whether filling full or part- time positions.

A 2018 Human Resources Study examined the applicant pools in 2015-18 and concluded that no adverse impact was apparent. However, the diversity of the District' s employee population does not reflect the diversity of its student population or the District's service area population.

To address any identified underrepresentation of monitored groups pursuant to Plan Component 10, the district will regularly review and where needed, revise its recruitment and hiring procedures and policies in accordance with the following provisions, which represent best practices in selection and hiring procedures. The District' s Recruitment and Hiring Procedures will reflect the following provisions:

Recruitment:

It is the policy of the District to aggressively pursue a program of verifiable recruitment that is inclusive and open to all individuals.

On a regular basis, the District will review its recruitment sources to determine their effectiveness in generating diverse candidate pools. It will take steps to develop and contact new recruitment sources that ensure diverse pool s of candidates. Diverse pools should include, but not be limited to, men, women, persons with disabilities, and individuals from all ethnicities and other groups protected from discrimination. The Equal Employment Opportunity Advisory Committee is encouraged to utilize and notify the District of additional recruitment options that may enable the District to obtain a diverse pool of applicants. The District will include in the recruitment section of its Recruitment and Hiring Procedures the practices below.

For any job category where continuing underrepresentation exists, the District will apply the recruitment procedures set forth in Title 5, section 53021 to conduct full and open recruitment for all new openings and will not invoke the provisions for in-house interim appointments or the exception under 53021(c)(7) for engaging an administrator through a professional services contract

unless the Superintendent/President or his/her designee first notifies the governing board and the Equal Employment Opportunity Advisory Committee in writing of the compelling reason to limit the persons who may be considered for a vacancy in a job category where underrepresentation persists.

Recruitment for all open positions shall include, but not be limited to, placement of job announcements in the following instruments:

- General circulation newspapers, general circulation publications, and general market radio and television stations, including electronic media.
- Local and regional community newspapers.
- Newspapers, publications, and radio and television stations that provide information in languages other than English and to low-income communities.
- Publications, including electronic media that are distributed to the general market and to newspapers, publications, and radio and television stations, whose primary audience is comprised of groups found to be underrepresented in the District's workforce.
- Recruitment booths at job fairs or conferences oriented to both the general market and the economically disadvantaged as well as those events drawing significant participation by groups found to be underrepresented in the District's workforce.

Job Postings:

The District's recruitment and hiring procedures section on "Job Postings" will be reviewed to ensure the following:

- Job postings will state clearly job specifications setting forth the knowledge, skills, and abilities necessary to job performance.
- For all positions, job requirements will include demonstrated sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students.
- Job specifications, including any "required," "desired," or "preferred" qualifications beyond the state minimum qualifications which the District wishes to utilize, will be reviewed by the Equal Employment Opportunity Officer before the position is announced, to ensure conformity with equal employment regulations and state and federal nondiscrimination laws. All job announcements shall state that the district is an "Equal Opportunity Employer."

Committee Procedures:

The West Kern Community College District seeks to employ qualified persons with a broad range of backgrounds and abilities who have the knowledge and experience to work effectively in a diverse environment. The selection process is based on merit, and will extend to all candidates a fair,

impartial examination of qualifications based on job-related criteria. The District's recruitment and hiring procedures will be regularly reviewed and will include in its section on applicant screening by screening/interview committees the following provisions:

1. All screening or selection techniques, including the procedure for developing interview questions, and the selection process as a whole, will be:
 - a. Designed to ensure that, for all positions, meaningful consideration is given to the extent to which applicants demonstrate a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students;
 - b. Based solely on job-related criteria; and
 - c. Designed to avoid an adverse impact, and monitored by means consistent with this section to detect and address adverse impact which does occur for any monitored group.
2. When possible, every effort will be made, within the limits allowed by federal and state law, to ensure departments and others responsible for establishing selection/ screening committees include a diverse membership, which will bring a variety of perspectives to the assessment of applicant qualifications. Selection/screening committees will be encouraged to include members from monitored groups.
3. The Equal Employment Opportunity Officer shall review the makeup of selection/screening committees and make every effort to encourage diversity on selection/screening committees.
4. Before a person can serve on a selection/screening committee, he or she must receive Selection Committee training as noted in Plan Component 8.
5. Interviews must include at least one question which assess the candidate's understanding of and commitment to equal employment opportunity and his or her level of cultural proficiency.
6. All screening materials must be approved by the Equal Employment Opportunity Officer for compliance with equal employment opportunity principles.

The District will not designate or set aside particular positions to be filled by members of any group defined in terms of national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics, or engage in any other practice, which would result in discriminatory or preferential treatment prohibited by state or federal law. The District will not apply the Plan in a rigid manner that has the purpose or effect of so discriminating.

The Governing Board or its designee shall make all final hiring decisions based upon careful review of the candidate or candidates recommended through the screening/interview committee. This

includes the right to reject all candidates and to order further review or to reopen the position where necessary to achieve the objectives of the Plan or to ensure equal employment opportunity.

The District will review the pattern of its hiring decisions over time, and if it determines that those patterns do not meet the objectives of the Plan, the district will request the Equal Employment Opportunity Advisory Committee to recommend new methods to meet the Plan objectives, or if necessary, to modify the Plan itself to ensure equal employment opportunity.

COMPONENT 12: Other Measures Necessary to Further Equal Employment Opportunity

In order to fulfill its mission of ensuring equal employment opportunity and the creation of a diverse workforce, many approaches are necessary. Equal employment opportunity means all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories. Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas that welcomes men and women, persons with disabilities, and individuals from all ethnicities and other groups protected from discrimination.

To promote a more diverse campus environment, the District will sponsor cultural events with speakers on issues dealing with diversity, continue to explore how to infuse diversity into the classroom and curriculum, and promote the concept of cultural proficiency. The District will also promote learning opportunities and personal growth in the area of diversity and evaluate how the physical environment can be responsive to its diverse employee and student populations.

In implementing these strategies, the District may choose to:

1. Include guest speakers from underrepresented groups who are in leadership positions and who may inspire students and employees.
2. Highlight the District's equal employment opportunity policies in job announcements and in its recruitment, marketing, and other publications. Include in job announcements language indicating candidates demonstrate they can incorporate diversity into their major job duties.
3. Promote discussions involving multicultural awareness.
4. Work with the appropriate District departments to implement diversity and multiculturalism into their course outlines and services to students.
5. Review and revise the District's publications and other marketing tools to reflect diversity in pictures, graphics, and text to project an inclusive image.
6. Recognize and value faculty and staff who have promoted diversity and equal employment opportunity principles.
7. Provide EEO/diversity workshops during in-service days.
8. Establish an online presence by highlighting the District's diversity and equal employment opportunity, Americans with Disabilities Act (ADA), sexual harassment and nondiscrimination policies, procedures, and programs on the District's website. The website will also list contact persons for further information on these topics.

9. Acknowledge the value of multicultural celebrations on campus.
10. Have a formal EEO program on campus that is visible, valued, and supported.
11. Seek direct contact with student, professional, community, and other organizations that represent the diverse community we serve. These organizations can serve as resources for referring potential candidates for District employment.

PLAN COMPONENT 13: Persons with Disabilities

- 1. Reasonable Accommodations:** Applicants and current employees with disabilities shall receive reasonable accommodations consistent with the requirements of Government Code, sections 11135 et seq. and 12940(m); section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act (ADA). Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aides such as readers, interpreters, and note takers. The Human Resources Department is responsible for handling requests from applicants and current employees seeking such accommodations. The Human Resources Department is responsible for handling requests for accommodations from current employees as well as from applicants seeking such accommodations during the application process. Requests can be made on the "Request for Reasonable Accommodation" form.
- 2. Procedures When Underrepresentation is Found:** When persons with disabilities are found to be significantly underrepresented, measures required in this Plan will be implemented.
- 3. Analysis of workforce and applicant data:** Since employees' disability status may change during their service, every three years the college will survey employees to collect updated information on disability status.

PLAN COMPONENT 14: Graduate Assumption Program of Loans for Education

The District will encourage community college students to seek employment as community college employees, and inform students about programs that may assist them to complete their graduate studies. The District will post informational flyers on the campus concerning such programs and make information available in student newspapers, the course catalog, and in locations accessible to students, including but not limited to, Counseling, Financial Aid, Admissions and Records, the Bookstore, and the Student Center.

NOW THEREFORE, for good and valuable consideration the receipt and adequacy of which are hereby acknowledged, the parties agree as follows:

Section 1. Lease

Tenant leases from Landlord the premises located at [address], and consisting of [description of leased premises and amenities included in lease] on the terms and conditions contained in this Lease (collectively, “Leased Premises”).

Section 2. Term

The term of this Lease shall commence on [date] and continue for a period of [number of months].

Section 3. Deposit

Concurrent the execution of this Lease, Tenant shall deliver to Landlord a deposit in the amount of [amount] in the form of a District warrant, personal check, cashier’s check, or cash (“Deposit”). The Deposit shall be held as security for the performance of Tenant’s obligations under this Lease pursuant to Section 14.

Section 4. Rent

Rent shall be [amount] per month (“Monthly Rent”), payable in advance, on the first day of each calendar month to Landlord or Landlord’s authorized agent, at the following address: [address of landlord or property manager] or at any other place designated by Landlord in writing from time to time. If Tenant takes possession of the Leased Premises on a date other than the first day of a calendar month, the first rent payment shall be prorated in accordance with the then remaining number of days in the month prorated on the basis of a thirty day month (Monthly Rent/30 = daily rent). Rent that equals the amount due for 12 months shall be paid over an 11 month period.

Section 5. Utilities, Services, and Yard Care

Tenant shall be responsible for securing accounts in Tenant’s name for and the payment of all utilities and services to the Leased Premises, except [list utilities, services, and yard care to be paid by landlord], which shall be paid by Landlord.

Section 6. Use and Subletting/Licensing

Landlord acknowledges that Tenant intends to use the Leased Premises as a part of Tenant’s Transition to Independent Living (“TIL”) program, which consists primarily of housing TIL program students in the Leased Premises as a private dwelling. The use of the Leased Premises

will also include District staff and related parties regularly meeting with TIL program students in the Leased Premises as a component of the TIL program, and other TIL related activities. As a necessary component of the District's use of the Leased Premises, District intends to enter into subletting or licensing agreements with TIL program students ("Students") for the use and occupancy of the Leased Premises for TIL program purposes. Landlord unconditionally consents to such subletting or licensing of all or a portion of the Leased Premises, provided that such subletting or licensing shall not alter Tenant's responsibility for the obligations under this Lease.

Without Landlord's prior written consent, Tenant and Students may not use or maintain a waterbed on the Leased Premises. Tenant and Students may not repair any automobiles or any other motor vehicles, heavy machinery, or equipment, anywhere on the Leased Premises or in or around the building of which the Leased Premises are a part, including the parking area, garage, and driveway. Tenant and Students may not keep or maintain any pets on the Leased Premises without the prior written consent of Landlord, which Landlord may withhold in Landlord's sole discretion.

Section 7. Compliance with Law

Tenant shall comply with all laws, statutes, ordinances, and requirements of all city, county, state, and federal authorities now or later in force pertaining to the use of the Leased Premises, and shall require the same of the Students.

Section 8. Maintenance and Alterations

Except as set forth in this Lease, Tenant agrees that as of the delivery of possession the Leased Premises are in good working order and repair. Landlord shall, at Landlord's own expense and at all times, maintain the Leased Premises in good working order and repair, including all equipment, appliances, furniture, fixtures, and furnishings. Tenant shall be responsible for damages caused by Tenant's negligence and that of Tenant's family, invitees, subtenants, licensees, and guests. Tenant shall not paint, wallpaper, or otherwise make permanent alterations to the Leased Premises without the prior written consent of Landlord. Tenant shall not commit or allow any person to commit any act resulting in the destruction, defacement, damage, impairment, or removal of any part of the Leased Premises, including wall, ceiling, and floor coverings, and the furniture, fixtures, and furnishings of the Leased Premises. Tenant shall surrender the Leased Premises at termination of this Lease in as good condition as received, normal wear and tear excepted. Tenant shall require Students to comply with this Section.

Section 9. Entry

Landlord shall have the right to enter the Leased Premises for the purposes of making necessary or agreed repairs and for showing the Leased Premises to prospective tenants, purchasers, or mortgagees, provided that, except in the case of an emergency, such entry shall be made during normal business hours and upon at least thirty-six (36) hours' prior notice to Tenant. Tenant may not change the locks to the Leased Premises without the prior consent of Landlord.

Section 10. Indemnification

Landlord shall not be liable for any damage or injury to Tenant or any other person, or to any property, occurring on the Leased Premises or any part of the Leased Premises or in common areas, unless the damage is caused by the negligent, willful, or intentional act or omission to act of Landlord, Landlord's agents, or Landlord's employees. Tenant agrees to indemnify, defend, and hold harmless Landlord for any liability, costs (including reasonable attorneys' fees), or claims for personal injuries or property damage that is the proximate result of the gross negligence or willful misconduct of Tenant or Tenant's guests or invitees. Each party waives the right of subrogation against the other party.

Section 11. Delay of Possession

Tenant may terminate this Lease if possession is not delivered within five (5) days of the commencement of the Term.

Section 12. Default and Time to Cure

If Tenant fails to pay rent when due, or to perform any term of this Lease, after not less than seven (7) days' written notice of default given to Tenant in the manner required by law, Landlord, at Landlord's option, may terminate all rights of Tenant under this Lease, unless Tenant, within the time specified, cures the default.

Section 13. Remedies

If Tenant defaults, Landlord may elect to:

(a) continue the lease in effect, and enforce all Landlord's rights and remedies under this Lease, including the right to recover the rent as it becomes due, or

(b) at any time, terminate all of Tenant's rights under this Lease, and recover from Tenant all damages Landlord may incur by reason of the breach of the lease, including the cost of recovering the Leased Premises and including the worth at the time of the termination or at the time of an award if suit is instituted to enforce this provision, of the amount by which the unpaid rent for the balance of the term exceeds the amount of the rental loss that Tenant proves could be reasonably voided.

In addition to any other rights and remedies allowed by this Lease or by law, Landlord shall have the remedies as set forth in Civil Code §§ 1951.2 and 1951.4.

Section 14. Security Deposit

Tenant is placing a Deposit with Landlord in the sum set forth in Section 3. Landlord shall not be obligated to pay interest on the Deposit. Landlord will hold the deposit for the full and timely performance by Tenant of Tenant's obligations under this Lease, including payment of rent and cleaning, maintaining, and repairing the Leased Premises after surrender. If all or any portion of Tenant's security deposit is applied by Landlord during the term of this Lease, Landlord may demand that Tenant replenish the full amount applied. Tenant's failure to replenish the amount

within seven (7) days after written demand will constitute a breach of this Lease. The balance of all deposits shall be refunded no later than twenty-one (21) calendar days from the date possession of the Leased Premises is delivered to Landlord or Landlord's agent, together with a statement showing any charges made against the deposits by Landlord.

Section 15. Waiver

No failure of Landlord to enforce any term of this Lease shall be deemed a waiver, nor shall any acceptance of a partial payment of rent be deemed a waiver of Landlord's right to the full amount of rent.

Section 16. Notices

Any notice that either party may or is required to give, may be given by mailing the notice, postage prepaid at the address shown below, or at any other place designated in writing by the parties from time to time.

IF TO LANDLORD:

Section 17. Successors and Assigns

This Lease is binding upon and inures to the benefit of the heirs, assigns, successors, executors, and administrators of Landlord and Tenant.

Section 18. Time

Time is of the essence in this Lease.

Section 19. Holding Over

Any holding over after expiration of the Lease, with the consent of Landlord, shall be construed as a month-to-month tenancy in accordance with the terms of this Lease, as applicable. No holding over or extension of this Lease shall extend the time for the exercise of the option unless agreed upon in writing by Landlord.

Section 20. Late Charges

If Tenant fails to pay the Monthly Rent within five (5) days after the due date, Tenant agrees that it would be impracticable or extremely difficult to fix the actual damage to Landlord caused by

that failure and therefore agrees to pay a late charge of [amount]. The amounts due under this Section are in addition to and not in lieu of any other remedies of Landlord.

Section 21. Construction

Headings at the beginning of each section of this Lease are solely for the convenience of the parties and are not a part of and shall not be used to interpret this Lease. The singular form shall include plural, and vice versa. This Lease shall not be construed as if it had been prepared by one of the parties, but rather as if both parties have prepared it. Unless otherwise indicated, all references to sections are to this Lease.

Section 22. Further Assurances

Whenever requested to do so by the other party, each party shall execute, acknowledge, and deliver any further conveyances, agreements, confirmations, satisfactions, releases, powers of attorney, instruments of further assurance, approvals, consents, and any further instruments and documents as may be necessary, expedient, or proper to complete any conveyances, transfers, sales, and agreements contemplated by this Lease. Each party also agrees to do any other acts and to execute, acknowledge, and deliver any documents reasonably requested to carry out the intent and purpose of this Lease.

Section 23. Third Party Rights

Nothing in this Lease, express or implied, is intended to confer upon any person, other than the parties and their respective successors and permitted assigns, any rights or remedies under or by reason of this Lease. Tenant shall not assign this Lease without Landlord's advance written approval.

Section 24. Counterparts

This Lease may be executed in one or more counterparts, each of which shall be deemed an original and all of which taken together shall constitute one and the same instrument.

Section 25. Amendment

This Lease may not be amended or altered except by an instrument in writing executed by Landlord and Tenant.

Section 26. Partial Invalidity

Any provision of this Lease that is unenforceable or invalid or the inclusion of which would adversely affect the validity, legality, or enforcement of this Lease shall have no effect, but all the remaining provisions of this Lease shall remain in full force.

Section 27. Governing Law and Venue

The validity, meaning, and effect of this Lease shall be determined in accordance with California law, and any disputes concerning the subject matter of this Lease shall have proper venue in the Superior Court for the County of Kern.

IN WITNESS WHEREOF, Tenant has executed this Lease as of the date first above written.

Memorandum of Understanding (MOU) Between West Kern Community College District (WKCCD) and Taft Union High School District (TUHSD) Dual Enrollment Program and Concurrent Enrollment Program

Purpose

The purpose of the dual enrollment program is to afford current high school students the opportunity to enroll in dual-credit courses to expand student access to affordable higher education, provide challenging academic experiences to qualified high school students and reduce the costs of a college education for students and their families. Successful completion of transfer courses will enable students to simultaneously earn college credit transferable to two-and-four-year colleges and universities and satisfy high school graduation requirements. Dual enrollment course offerings are meant to enrich the TUHSD high school curriculum program and not supplant the high school curriculum program.

The purpose of the concurrent enrollment program is to afford current high school students the opportunity to enroll in college courses in order to give them higher education experiences while still in high school. Successful completion of college courses will enable students to earn WKCCD college credit. TUHSD will determine when dual-credit is awarded for concurrent enrollment courses.

Program Management

The WKCCD Dual Enrollment Committee will manage the dual enrollment and concurrent enrollment programs as delineated in this document. The WKCCD Dual Enrollment Committee will evaluate any grant funding opportunities sought by the WKCCD or TUHSD for dual enrollment or concurrent enrollment, prior to the start of the grant application process. The committee consists of administrators and faculty members from both WKCCD and TUHSD (see charter).

Dual Enrollment Program

Course Offerings

Dual enrollment courses are taught during the TUHSD school day on the TUHSD campus with the exception of Online PSYC 1500. The dual enrollment program offerings are shown in the table below. Fall 2019				
Course	Class Size Limit	Units	Instructor Load	Required Instruction Hours
Online PSYC 1500	35	3.0	3.0	48
ENGL 1500	25	3.0	3.0	48
Spring 2020				
Course	Class Size Limit	Units	Instructor Load	Required Instruction Hours
COMM 1511	30	3.0	3.0	48
ENGL 1600	30	4.0	4.0	64
BIOL 1510	24	4.0	6.0	96

Staffing

Faculty members assigned to teach dual enrollment courses must meet the minimum qualifications as defined by the Chancellor’s office document *Minimum Qualifications for Faculty and Administrators in California Community Colleges*, as well as, relevant WKCCD hiring criteria. Substitute Faculty members must also meet the minimum qualifications described above.

Compensation

TUHSD shall be solely responsible for all salaries, wages, benefits, and fully funded STRS contributions for faculty members teaching dual enrollment courses on the TUHSD campus. TUHSD will be the employer of record for the purposes of compensation, assignment monitoring, and reporting to any and all appropriate agencies pursuant to state and federal law, including but not limited to, provision of workers compensation coverage, payroll taxes, and STRS employer contributions.

Evaluation

It will be the sole responsibility of WKCCD to conduct faculty evaluations of faculty members teaching dual enrollment courses in accordance with the Taft College Faculty Collective bargaining agreement.

Academic Advising

Academic advising and support services for students enrolled in dual enrollment courses will be the primary responsibility of the TUHSD.

Concurrent Enrollment Program

High school students must follow the procedures outlined on the WKCCD website (link shown below) to enroll in courses via the concurrent enrollment program.

<http://www.taftcollege.edu/admissions/wp-content/uploads/sites/12/2018/05/High-School-Special-Admittance-Print.pdf>

WKCCD and TUHSD agree to annually review and/or change the terms of this MOU via the WKCCD Dual Enrollment committee. The MOU shall remain in effect until the WKCCD Dual Enrollment committee recommends changes to the terms of the MOU.
