Frequently Asked Questions

How many times a week do I have to go to class?

CWEE courses are independent study and do not require weekly attendance to a specific class. You will meet with the CWEE Coordinator in the beginning of the semester for an orientation and creation of your Learning Objectives Contract, in the middle of the semester for a mid-term evaluation of progress towards your objectives, and at the end of the semester for your final evaluation process.

How many units will I earn?

Units earned are calculated using the formula 1 unit=60 unpaid hours (volunteer) OR 75 paid hours (employment).

Approx. PAID hours per week	Minimum PAID hours completed	Units eligible	Approx. UNPAID hours per week	Minimum UNPAID hours completed	Units eligible
5	75	1	4	60	1
10	150	2	8	120	2
15	225	3	12	180	3

How am I graded?

This course is graded on a Pass or No Pass scale. Feedback from student and employer in the form of a mid-term consultation and an end-of-term evaluation will be used to determine whether or not the student achieved their individual learning objectives, set and agreed upon at the beginning of the semester. Students who achieve their learning objectives and have completed/submitted all required documentation/forms for the course, will earn a Pass. Students who do not achieve their learning objectives and/or fail to submit required documentation/forms for the course will earn a NP.
