  - With the new Accreditation Standards, SLOs must now be attached to CORs
3. SLO “Tech Review” Process/Rubric for CSLO & PSLO Approvals – No Action Item  
Points of discussion:
  - SLO/ASC meetings used be conducted the same way that the current Curriculum meetings are conducted in order to review and approve SLOs in a systematic way
  - The goal of SLO/ASC was to ensure that SLOs were “meaningful and measureable
  - Comprehensive Program Review could be the time when all SLOs are reviewed at the course and program level – look at one whole program at a time
  - How are SLOs currently approved? Are they approved?
  - During Comprehensive Program Review, all SLOs be refined by discipline faculty
  - SLO/ASC should also look at SLOs for courses and programs as they are submitted
  - SLO/ASC should meet more frequently than once a month in order to review SLOs.
