ARTICLE 5 LEAVES OF ABSENCE

- 5.1 General Provisions: A faculty member who receives a paid leave of absence, unless otherwise provided in this Article, shall receive wages and District fringe benefit contributions as if the faculty member were in regular status.

5.1.1 A faculty member who is on an unpaid leave during any pay period shall receive the District fringe benefit (health and welfare) contribution for the balance of the pay period.

Except as provided by paragraph 5.1.1, a faculty member shall be allowed to maintain fringe benefit coverage pursuant to the terms of the District's insurance plans by making payment of the applicable premium or premiums in the manner required by the District.

5.1.2 A faculty member must contact the appropriate Educational Administrator sufficiently in advance of returning from a leave in order to allow for any necessary assignment modifications.

5.1.3 A faculty member who is absent from work other than for days authorized by State Law or by the Agreement is absent without leave ("AWOL"). The District will deduct a salary amount equal to the ratio of days absent to the days of required annual service for unauthorized absences. In addition, a faculty member who is absent without leave, or who fails to return to work as scheduled, may be subject to disciplinary action.

5.1.4 At its discretion, the District may require a physician's verification of an illness or injury. The District may also require that a faculty member visit a physician, at District expense, to obtain a statement relative to the faculty member's ability to fulfill the responsibilities of the faculty member's position in a safe, healthful and satisfactory manner.

5.2 Sick Leave: Regular faculty shall earn and be credited with one (1) day of Sick Leave at full pay for each contractual month of employment. Each temporary faculty member shall earn Sick Leave credit proportionate to that earned by a regular faculty member. Except as otherwise provided in the Article, Sick Leave shall be used for an illness, injury, or pregnancy and childbirth that causes a faculty member to be unable to appear for work and to render service to the District.

5.2.1 Sick Leave will be credited as of the first scheduled workday of a faculty member's contract year. Unused Sick Leave shall be carried over from one year to the next.

5.2.2 Overload and Adjunct Sick Leave: Regular faculty shall earn and be credited with one (1) hour of sick leave for each 17 hours of assigned overload, teaching or non-teaching, during the summer intersession, fall and spring semesters.* Temporary faculty shall earn and be credited with one (1) hour of sick leave for each 17 hours of assigned adjunct teaching or non-teaching during the summer intersession, fall and spring semesters.*

*Assignments paid by stipend are excluded.

Overload sick leave earned by regular faculty will be accumulated in a separate overload sick leave account and be carried over from one year to the next. Regular faculty will utilize any sick leave hours (including donations to the catastrophic leave fund) from the overload sick leave account first (with the exception of the (1) day of Personal Necessity Leave in section 5.4.3) before utilizing sick leave from their regular sick leave account. Regular faculty will be provided a report of accumulated sick leave hours in both their regular accounts and overload accounts by September 1st of each year.

Adjunct sick leave earned by temporary faculty will be accumulated in an adjunct sick leave account and be carried over from one year to the next. Temporary faculty will be provided a report of accumulated sick leave hours in their adjunct account by September 1st of each year.

5.3 Extended Sick Leave: One hundred (100) days of Extended Sick Leave will be provided in addition to a faculty member's current year's Sick Leave credit and Sick Leave that is carried over from the prior academic year, as follows:

5.3.1 After all Sick Leave at full pay has been used and additional absence due to illness, injury or pregnancy and childbirth is necessary, the faculty member shall be eligible to utilize up to one hundred (100) days of Extended Sick Leave at fifty percent (50%) of the faculty member's regular rate of pay.

5.3.2 Parental Leave (AB2393)

For the purposes of this article "parental leave" shall be defined as "leave for reason of the birth of a child of the faculty member, or the placement of a child with a faculty member in connection with the adoption or foster care of the child by the faculty member".

In order to be eligible for parental leave, the full-time or part-time faculty member must have been employed by the District for a period of at least 12 months prior to taking the leave. In the instance where both parents are faculty members, each faculty member will be entitled to the benefit of article 5.3.2.

Consistent with the California Family Rights Act (CFRA) (Govt. Code § 12945.2) and Education Code section 87780.1, eligible faculty members are entitled to twelve (12) workweeks of parental leave. Twelve (12) workweeks mean the equivalent of 12 of the faculty member's normally scheduled workweeks. Faculty members are only entitled to one 12-workweek period of parental leave in any 12-month period. Any leave taken must be concluded within one year of the birth or placement of the child with the faculty member. Parental leave may be split over two academic years. For example, if a child is placed with a faculty member on April 15 of one year and he/she uses five (5) weeks of parental leave during that academic year, he/she will have seven (7) remaining weeks to use the following academic year prior to April 15 of year two.

Once a faculty member on parental leave exhausts all available sick leave, including all accumulated leave, they become eligible to receive fifty percent (50%) of their regular

salary for the remaining leave period. For example, a faculty member uses seven (7) weeks of sick leave and accumulated sick leave during his/her parental leave (assuming this exhausts all such available leave) is then eligible to receive 50% of their regular salary for the remaining five (5) weeks of the 12-week leave period. Parental leave shall run concurrently with any parental or bonding leave taken pursuant to CFRA such that the aggregate amount of leave taken pursuant to this section, section 87780.1 and CFRA shall not exceed twelve workweeks in a twelve-month period. All requirements of CFRA shall apply to leave taken under this section except that an employee is not required to have 1,250 hours of service with the District during the previous 12 month period in order to take parental leave pursuant to this section.

Parental leave does not have to be taken in one continuous 12-week period. The minimum duration of the leave shall be two weeks, except the District must grant a faculty member's request for a leave of less than two weeks duration on any two occasions and may grant additional requests. Parental leave and extended sick leave are separate and distinct benefits.

While out on parental leave the faculty member is entitled to receive any applicable health benefits the faculty member was receiving immediately before the commencement of the leave.

- 5.4 Personal Necessity Leave: A faculty member may elect to use not more than seven (7) days per academic year of unused Sick Leave for purposes of approved Personal Necessity Leave.
- 5.4.1 Utilization of the Leave shall be limited to circumstances that are serious in nature, which cannot be expected to be disregarded, which necessitate immediate attention, and which cannot be dealt with during off-duty hours. - 5.4.2 A faculty member may elect to use up to (10) Leave days per year for the illness of or injury to members of the immediate family.

- 5.5.1 The Leave will be for no longer than three (3) consecutive days, except that if out-of-state travel is required, five (5) consecutive days will be authorized. If in-state travel in excess of 200 miles one way is required, four (4) consecutive days will be authorized.
- 5.5.2 Leave in addition to the days provided by this paragraph may be available by application of paragraph 5.4 inclusive.

- 5.5.3 Normally, the Leave shall commence within (7) calendar days from the date of the death of the family member and the days used shall be taken consecutively, unless authorization is obtained from the District.
- 5.6 Judicial and Official Appearance Leave: Judicial and Official Appearance Leave shall be granted for purposes of regularly called jury duty, appearance as a witness in court other than as a litigant, or to respond to an official order from another governmental jurisdiction for reasons not brought about through the initiation, connivance or misconduct of the faculty member as follows:

For the purpose of this Retiree Health Benefits Program, a “complete academic year” is a year in which a faculty member serves at least 75 percent of the number of instructional days within the District. A regular faculty member hired on 5/1/2016 or thereafter, who was employed by the District for at least twenty (20) complete academic years and his/her eligible dependents shall be eligible to participate in a District paid health benefits program for up to five (5) years or until the retiree reaches 65 years of age. APPENDIX C FACULTY SERVICE AREAS

In accordance with the provisions of Education Code Sections 87743.2 and 87743.5 the District shall establish Faculty Service Areas (FSAs) and shall establish competency criteria for faculty members employed by the District. The District's list of FSAs is on file in the offices of Vice Presidents and Associate Vice President of Human Resources, Division Chairs, the Academic Senate President, and the Faculty Association President.

When any reduction in the faculty is required, the applicable provisions of the Education Code shall be followed. No permanent or probationary faculty member shall be laid off while any faculty member with less seniority is retained to render a service in a FSA in which any senior faculty member is qualified to perform. (Education Code Sections 87743-87761, inclusive and Sections 87414-87415.) The following regulations shall guide the process of faculty assignments into FSAs:

- A. Each faculty member shall qualify for one or more faculty service areas at the time of initial employment. A faculty member shall be eligible for qualification in any faculty service area in which the faculty member has met both minimum qualifications pursuant to Education Code Section 87356 and District competency standards.
- B. The FSA Committee shall consist of the Academic Senate President, the Faculty Association President, the Vice President of Instruction, and the appropriate Division Chair and Associate Vice President of Human Resources. The FSA Committee shall assign each new faculty member into one or more FSAs at the initial time of hire.
- C. After initial FSA assignment, a faculty member may apply to the FSA Committee for assignment to an additional FSA for which faculty member either holds a California Community College Credential encompassing the discipline, or has met the minimum qualifications as set forth by the Board of Governors Minimum Qualifications for Faculty and Administrators in California Community Colleges.
- D. An application to be added to an FSA must be received on or before October 1 by Associate Vice President of Human Resources in order to be considered in layoff proceedings in the academic year in which the application is received. The FSA Committee will respond with a decision by November 30 of the same year.
- E. A record of FSAs and faculty members who have been assigned to each FSA shall also be maintained by the FSA committee.
- F. A faculty member shall be deemed competent to render service in a service area if he or she fulfills at least one of the conditions in paragraph C, above, or has specialized skills that the FSA Committee and the District agree make the faculty member competent to render service.
- G. A faculty member shall be given written notification of the initial FSA assignment and of any subsequent FSA assignment changes.

APPENDIX D RETRAINING

Retraining faculty member with a new teaching competency is one of several approaches which may be offered by the District in a variety of employment situations.

- A. When fiscal circumstances and budget restraints require consideration of staff reductions or the reallocation of staff resources, retraining options (as well as resignation and/or retirement program options) shall be considered. The goal of the options should be to mitigate the impact of the fiscal circumstances with the least amount of faculty displacement or job loss.

- B. A faculty member may participate in a District-approved retraining program that leads to a new teaching competency. An individual retraining program, including the area in which the faculty member seeks to be retrained and the amount of total compensation (e.g., salary, health and welfare benefit contributions to be made by the District during the retraining period, and District contributions toward the educational costs of the retraining), is subject to mutual agreement between the District and the faculty member. In addition to total compensation, a faculty member's partial teaching load during the retraining period, if any, is subject to mutual agreement. The guidelines set forth below would be applied to each individual proposal for retraining, based upon the underlying reason for retraining request.
 - 1. If a proposal for retraining is an outgrowth of an action by the District to layoff a faculty member or faculty members or is designed to forestall a layoff, the retraining proposal shall be reviewed in light of the availability of funds in the District and current or projected areas of instructional need for succeeding school year.
 - a. The faculty member's total compensation, including all of the factors listed in paragraph B of this Appendix, would be no less than 50 percent of the faculty member's regular total compensation for the prior school year. Any partial teaching load that may be agreed to as part of the retraining proposal shall be reviewed in light of the District's assessment of those needs.

 - 2. If a proposal for retraining is based upon mitigating or accommodating a current unmet need in the District instructional program or upon preparing for a projected shift in the emphasis of the District's instructional program within the faculty member's assigned department in order to meet changing student needs, the retraining proposal shall be reviewed in light of the District's assessment of those needs.
 - a. The faculty member's total compensation, including all of the factors listed in paragraph B of this Appendix, would be up to a maximum of 100 percent of the faculty member's regular total compensation for the prior school year. Any partial teaching load that may be agreed to as a part of the training program would be calculated within the percentage established by operation of this paragraph.

- C. In all cases, a faculty member's proposal for retraining shall be subject to review and analysis by the TCFCBC committee prior to a final determination by the District.
 - 1. As a part of the review analysis by the TCFCBC, the faculty shall make a personal presentation and defense of the proposal.
- D. In consideration for the District's agreement to authorize and to fund a faculty member's retraining program, the faculty member shall agree to provide two years of service to the District commencing not later than the beginning of the fall semester following completion of the retraining program.
- E. Except in extenuating circumstances, the amount of time for a proposed retraining program shall be limited to a period equivalent to the faculty member's annual contract for the preceding school year.
- F. Upon the successful completion of a retraining program, the faculty member may request a transfer to the area of the new teaching competency or the District may assign the faculty member to the area of the new teaching competency.

APPENDIX E
CATASTROPHIC LEAVE PAY

- A. Catastrophic leave pay may be available to an employee as set forth herein pursuant to the provisions of Education Code section 87405. Catastrophic leave pay shall consist of the amount of sick leave credit, vacation time, or compensatory time off credits that are donated to the affected employee by other employees.
1. Donations of sick leave credit shall be made in blocks that are equivalent to one day of leave for the donating employee. An employee who donates sick leave credits shall be required to have a sick leave balance equivalent to five days (e.g., full-time employee = 40 hours) following the donation.
 2. Donations of vacation time or compensatory time off credits shall be made in blocks of not less than two hours per donating employee.
- B. For the purpose of calculating credits for an employee who receives catastrophic pay, the following shall apply:
1. If the employee who donates eligible time credits is at a different salary rate than the employee who receives the credits, the formula to be used shall be: Donating employee's hourly rate multiplied by number of hours donated equals \$X; \$X divided by receiving employee's hourly rate equals the number of catastrophic leave hours available to receiving employee.

Example: Donating employee - Secretary (rate \$9.00 per hour) donates eight hours:
$$\$9.00 \times 8 = \$72.00;$$

Receiving employee - Clerk (rate \$7.00 per hour) will be entitled to:
$$\$72.00 \div \$7.00 = 10.29 \text{ hours of catastrophic leave credits.}$$
 2. If the employee or employees who donate eligible time credits are at the same salary rate as the employee who receives the credits, the receiving employee shall be credited with the number of hours donated.
 3. The receipt of donated time credits under this program shall not serve to extend or modify the terms or limitations of ARTICLE 5, LEAVES OF ABSENCE, paragraph 5.3, of this Agreement. However, at the written request of the employee, donated time credits shall be coordinated with differential pay during a period when the employee is on Extended Sick Leave in order to mitigate the impact of the deduction of the substitute's pay from the employee's regular pay. Further, at the written request of the employee, donated time credits shall be coordinated with Family Medical Leave Act benefits in order to provide a continuation of income, or to provide an extension of contributions for the District's health insurance package, or both during the period when the employee does not receive wages from the District.

C. The employee shall fill out an application form for catastrophic leave and shall attach a written statement and verification from a licensed physician or practitioner indicating the nature and extent of the illness or injury without revealing confidential medical information, the projected date of the employee's return to work, and a statement that the employee is medically unable to work due to the illness or injury.

1. Where the application is based on the catastrophic illness or injury of a member of the employee's immediate family, all required medical information, statements, and verifications shall be related to the affected family member. In addition, the employee shall attach a written statement indicating the circumstances that required the employee's absence from work. Finally, the employee shall be allowed and required to utilize all of the employee's regular sick leave as provided by ARTICLE 5, LEAVES OF ABSENCE, paragraph 5.3, inclusive, of the Agreement prior to the receipt of donated time credits.

D. The term "catastrophic illness or injury" shall be defined as set forth in Education Code section 87045(a)(1) which states:

"'Catastrophic illness' or 'injury' means an illness that is expected to incapacitate the employee for an extended period of time, or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from an extended period of time to care for the family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off."
