4. ASO nominees, position, and statements
  - a. **Giselle Pinal, Vice President**
    - i. I would be a great fit as a Vice President for ASO because I've been recognized for my leadership and my work with the community. I was a participant in ASO my first year at Taft College that gave me the opportunity to analyze all the officer roles and as a business major, I believe I have the qualities to achieve in being the Vice President. In the small amount of time frame working with ASO, I was exposed to a different routine that I learned so much from which is why I want to continue to my participation so I can consistently be growing. I will work hard to as a Vice President to give our students the best experience on our campus.
  - b. **Joshua Vazquez, President**
    - i. I would like a leadership role in the Taft College ASO because I enjoy being part of our college's community. I have a year of experience as our ASO's Interclub Commissioner. With this experience I believe I can make an even bigger contribution this upcoming school year. I will work hard to ensure the ASO has a presence on campus and functions efficiently.
  - c. **Elvia Ramirez, Activities Coordinator**
    - i. I would like to be in a leadership role as an ASO officer or student trustee because I would want to be able to give out my ideas to other people so like that we can come up with great activities for the school. I would also want to be part of ASO because it seems like a great opportunity to grow my leadership skills and a great way to communicate with other people. One last reason why I would want to be in ASO is because I love

decorating for activities and why not do it here so that other people can see and enjoy them.

**d. Nicholas Castillo, Secretary/Treasurer**

- i. I would like to be in a leadership role because it would be nice to be a part of the organization that is in charge of running events for the school. Being a part of something like this would feel nice, and in a way like I get to help people. I have loved going to TC this past year, and I'm grateful for the experiences it has given me. Now I feel like this could be my chance to give back.

**e. Janae Niutupuivaha, Secretary/Treasurer**

- i. I would love to have a leadership role as an ASO officer because then I would be forced out of my comfort zone and get to work with and know so many other students. I also like to help and work with people and take any opportunity I can to help others. I think that planning and executing plans are good for me and I'm excited to have a chance to work with great students and faculty and staff.
