

Nurse Scholar Program: Entry-Level Track

Program Design & Benefits

- You will receive mentorship from experienced nursing staff and clinical experience to help prepare you for nursing program applications and course work
- You will have potential access to opportunities for entry-level employment
- You will participate in professional development workshops to become well-versed and knowledgeable in preparation for a nursing career
- This is a great opportunity to provide you with clinical skills and hands-on experience, assisting your Registered Nurse preceptor with taking vital signs, repositioning patients and basic patient care

Program Fee Assistance Available

Use promo code **TAFTSUMMER22** when applying. Deadline: **3/31** at 11:59pm PST.

Promo code exclusive to Taft College students.
